Scholarships and fee-waivers for international students enrolling in English-taught degree programmes

unlimited access degree programmes

RESULTS A.Y. 2026-27

The results refer to the following merit based economic benefits:

- ***Padua International Excellence scholarships***
- ***Departmental scholarships for international students***
- ***Fee-waivers for international students***

In order to accept the scholarship and/or fee-waiver offered, under penalty of loss, **candidates are required to accept the admission offer** received from the *Admissions and Welcome Unit - Global Engagement Office* via the platform https://apply.unipd.it/ and **pay the admission fee** (ie. 208 €) by the deadline indicated in the offer message. (**25th March 2026**).

Candidates admitted must fulfil any missing admission requirements (e.g. entry qualification and/or English language certificate) by **31st August 2026**.

Should scholarship or fee-waiver recipients **not** accept the admission offer, the benefit offered may be awarded to the **next eligible candidate** meeting the requirements by the degree programme Academic Committee. Candidates will be contacted directly by the *Admissions and Welcome Unit - Global Engagement Office.*

PADUA INTERNATIONAL EXCELLENCE SCHOLARSHIPS

Padua International Excellence scholarships include an **allowance of € 8,000.00** and a **tuition fee-waiver per academic year.**

Detailed information on the scholarships' conditions are available in the **Call for application for A.Y. 2026/27.**

APPLICANT ID	DEGREE PROGRAMME
562048	Accounting, Finance & Business Consulting
539194	Aerospace Engineering
516364	Applied Economics
517886	Applied Sciences to Cultural Heritage, Materials and Sites
463194	Astrophysics and Cosmology
567779	Biotechnologies for food science
520583	Chemical and process engineering
547345	Communication Strategies
437254	Complex and Data Driven Chemistry
570491	Computational Finance
540386	Computer Engineering
572794	Computer Science
541392	Control Systems Engineering
558211	Cybersecurity
540285	Data Science
531030	Earth Dynamics
564658	Electrical Engineering
412087	Electronic Engineering

535017	Energy Engineering
552538	English Studies
442613	Environmental Engineering
551240	Environmental Sciences for the Ecological Transition
520578	Environmental Sustainability and Education
521871	European and Global studies
536464	Evolutionary Biology
472047	Food and Health
535284	Food Industry Engineering
522414	Forest Sciences
558959	Geophysics for Earth and Climate Processes, Risks and Resources
502134	Human rights and multi-level governance
547654	ICT for Internet and multimedia
450220	Italian Food and Wine
548921	Italian Medieval and Renaissance Studies
527019	Local Development
513203	Management Engineering
525171	Management for Sustainable Firms
521527	Marine Biology
571180	Materials Engineering
533518	Materials Science
516041	Mathematical Engineering
552335	Mathematics
447602	Mechanical Engineering for Product Innovation

569739	Mechatronics Engineering
540297	Mobility studies
467395	Molecular Biology
547634	Physics
518778	Physics of Data
560359	Planetary Geosciences
554078	Quantitative and Computational Biosciences
540500	Quantum Science and Engineering
523767	Sustainable Agriculture
565720	Sustainable Chemistry and Technologies for Circular Economy
554966	Water and Geological Risk Engineering

DEPARTMENTAL SCHOLARSHIPS

Departmental scholarships include an **allowance of € 8,000.00** and a **tuition fee-waiver per academic year.**

Detailed information on the scholarships' conditions are available in the **Call for application for A.Y. 2026/27.**

Department of Civil, Environmental and Architectural Engineering

APPLICANT ID	DEGREE PROGRAMME
270968	Environmental engineering
565649	Environmental engineering

559759	Mathematical engineering
565156	Water and Geological Risk Engineering

Department of Industrial Engineering (DII)

APPLICANT ID	DEGREE PROGRAMME
549698	Aerospace engineering
561458	Chemical and process engineering
491667	Electrical Engineering
555520	Energy Engineering
536377	Materials Engineering

Department of Land, Environment, Agriculture and Forestry (TESAF)

APPLICANT ID	DEGREE PROGRAMME
521013	Forest Sciences

Department of Linguistic and Literary Studies (DISLL)

APPLICANT ID	DEGREE PROGRAMME
507392	Communication Strategies

Department of Mathematics “Tullio Levi-Civita” (DM)
