Opportunities for the Young and Graduates Employability in Vietnam

The Erasmus + programme aims to boost skills and employability, as well as modernising Education, Training, and Youth work.

Erasmus + “Capacity-building projects in the field of higher education” are transnational cooperation projects, based on multilateral partnerships, primarily between higher education institutions from Programme and eligible Partner Countries.

The Project provides local companies with an innovative online tool for the assessment and recruitment of qualified human capital, granting the possibility to mobilize several search parameters so to select among the certified CVs available on the Vietnamese graduates’ database the candidate that best fits the company needs.

**SPECIFIC OBJECTIVES**

- Implement the Vietnamese database of university graduates
- Develop the Vietnamese Graduates Profile Survey
- Design the Vietnamese Graduates Job condition Survey
- Set up a Qualified System of Vietnamese Graduates Placement
- Draft the best practice guidelines & common learning for internship promotion and skill needs’ monitoring

**Vietnamese graduates / students close to graduation**

- Free of charge get and use of placement services
- Easy access to information on job/internship opportunities
- Improve career guidance and placement opportunities
- Certification of academic career
- Democratic and qualified access to labour market

**Firms and local business**

- Availability of CV regularly updated by graduates
- CV search facilities for human resources selection and recruitment purposes
- Possibility to check and compare profiles of graduates to hire

Assess your university experience
Boost your career
