ART. 1 Access Requirements

The University of Padova recognizes a student-athlete qualification to the students who are regularly enrolled and who meet both of the following requirements:

- excellence in the field of sports of particular competitive importance;
- achievement of at least 20 university credits for each academic year (of which at least 6 during the February exams for those enrolled in the first year).

"Excellence in the field of sports of particular competitive importance" is achieved by:

- a) athletes summoned to represent the national Italian team in the sports disciplines and whose federations are recognized by CONI and represented at the Olympics;
- b) overall champions or champions of category in the Italian championships and champions picking up podium places at the European or World championships for the sports disciplines whose federations are recognized by CONI and are represented at the Olympics;
- c) athletes, trainers or referees of the Federation of belonging who represent Italy in the Olympic and/or Paralympic disciplines at the winter or summer Olympics;
- d) athletes of teams exclusively made up of students from the University of Padova and representatives of the University of Padova for the federal competitions at a regional and national level;
- e) athletes who exclusively compete at national championships for the sports clubs covered by the framework agreement with CUS/UniPD;

For the students who belong to the first three categories, the documents attesting to the competitive commitment/result will be accepted and evaluated, as long as it was obtained within the two-year period prior to the academic enrollment and whenever a title has been achieved (for academic year 2017/2018, sporting merit achieved in 2016 and 2017 may be evaluated.

ART. 2 Special terms recognized

The University offers the following special terms to students-athletes:

1. Annual contribution of € 1,500.00 for students with an ISEE certification lower than € 60,000;
2. A tutor;
3. The opportunity to make arrangements with the teacher, in accordance with the principle concerning equal treatment of students and compatibly with the type of exams, to take the session exams at a different date and in the following cases:
   - the date scheduled on the academic calendar coincides or falls either five days before or after the international competition for which the student was summoned, as certified by the federation of belonging or by the provincial CONI;
   - the date scheduled on the academic calendar coincides with a transfer game on the following day and at a distance of over 200km away;

4. Authorization to not count the absence of the student-athlete referred to in sections a) and b) of article 1 in case of a mandatory lesson or class whenever such coincides with a Federal game or event;
5. Certification of sporting merit provided by the Diploma Supplement to the student-athlete, as integration of the information regularly provided and concerning the field of studies pursued.

The first four special terms are applied over the academic year during which the application was received.

ART. 3 Request of incentives for sporting merit: method and deadline

The students who plan on competing must send their request by 30 November 2017, using the form in Annex 1 and by means of an e-mail at the following address: service.studenti@unipd.it, whose subject must read: “Sporting merit incentives”. The request must be accompanied by the documents confirming the "sporting merit of particular competitive importance," as indicated under article 1, as well as by a copy of their ID.

The student-athlete that requests the incentive indicated in article 2, paragraph 1 (Annul contribution of € 1,500.00) must send the "Richiesta di Agevolazioni" by 30 November 2017 in order to check the ISEE value (procedure available in the student's private section on the Uniweb, under Diritto allo studio - Certificazioni di disabilità/dislessia, Corsi estivi”; the guide on how to fill in the form is found on the page www.unipd.it/isee.

The data of the ISEE certification will be directly imported from INPS’ database following the student’s authorization, which is given on the Richiesta di Agevolazioni, and the University will consider it valid only if the Dichiarazione Sostitutiva Unica (DSU) was signed by 30 November 2017.
For the purposes of the ISEE, the University may only and strictly accept the ISEE for the Service benefits for the Right to a University Education.

The Servizio Diritto allo studio e Tutorato may check the documents received and send a communication to the student concerned about the outcome of their application.
