Tramite la seguente procedura potrai inserire sul tuo Libretto Online le attività didattiche che hai scelto di frequentare. Solo se avrai compilato il Piano di Studi potrai iscriverti agli esami ed ottenere la registrazione del voto. Inserisci nel piano di studi le Attività Didattiche presenti nel tuo Learning Agreement definitivo, approvato dai Coordinatori Erasmus della tua Università di origine e dell'Università degli Studi di Padova. Nei passaggi successivi troverai una lista di Corsi di Studio tra cui scegliere: selezionandone uno, verranno mostrate SOLO le attività didattiche ad accesso libero (cioè che non sono riservate a studenti immatricolati in uno specifico corso di studi). Se non trovi l'attività didattica che stai cercando, vuol dire che è un'attività «non ad accesso libero». Per aggiungere tale attività didattica al tuo Piano di Studi, dovrai selezionarla dagli elenchi pubblicati nei passaggi successivi («Regole») di questa procedura, in base alla loro Scuola di riferimento.

List of restricted access course units

Restricted access course units are grouped in different lists, according to their School of reference. These lists will appear in following pages:

- 1) School of Medicine
- 2) Schools of: Law, Economics and Political Science, Psychology, Human Science
- 3) Schools of Engineering, Science, Agriculture and Veterinary Medicine

As the list is extremely long, we suggest that you search for course unit name through the 'Find' function of your browser (Keyboard shortcut: press Ctrl+F).

If any course unit is missing in these lists, please send an email to

erasmus.incoming@unipd.it

providing the following information: course code, course name, ECTS credits, Degree Course of reference

Single modules of integrated course units (School of Medicine)

Only students of the **School of Medicine** can attend single modules of integrated course units, but in this case the full integrated course has to be added to the Study plan.

*>>> You will not find the single modules in the list of courses,
so please look for the full integrated course name.*

This process will allow you to sign up for the module's exam, but the grade won't be registered in your final transcripts of records: the Mobility Desk at the School of Medicine will provide you with a special trascript including also the modules' results.

Select the course unit by clicking on the box next to it.

If you have selected at least one course unit, click on "**Next rule**"

If you don't want to select any item on this list, click on "**Skip forward**".
