

INFORMATION NOTICE ON DATA PROTECTION CODE

The treatment of the requested personal data is strictly connected with the PhD Visiting period procedure.

Supplying and gathering personal data is compulsory for the procedure. Sensitive data will be dealt with according to Law 68/1999 and Law 104/1992. Supplying personal data is compulsory and due in order to the correct collection of information related to Visiting PhD students.

The Data Controller is the Università degli Studi di Padova, that applicants can address in order to exercise their rights according to art.37 GDPR (EU Rule 2016/679). Applicants might contact the DPO (Data Protection Officer) writing an email at privacy@unipd.it.

PURPOSES OF DATA PROCESSING

The processing of applicants' data is based on the university law and is made for the following purpose: the performance of its institutional activities, within the limits established by law and regulations, in compliance with the general principles of transparency, fairness and confidentiality.

Università degli studi di Padova may process applicants' data for statistical and scientific purposes, to facilitate the analysis and improvement of activities and services of teaching, research and the right to study.

Università degli studi di Padova can make use of third party institutions appointed as Data Processors - pursuant to the GDPR, art. 28 - for activities such as the management of applications for participation and selection and recording procedures. These third party institutions can collaborate directly with the University in carrying out some activities that imply access to Visiting PhD students' personal data, including access to the list of Visiting PhD students.

TRANSFER OF DATA ABROAD

The data collected are not normally subject to transfer abroad, except as expressly indicated.

STORAGE PERIOD

The collected data are kept for a period of time not exceeding the achievement of the purposes for which they are processed ("storage limitation principle": GDPR, art.5) or on the basis of the deadlines established by law. The verification of the obsolescence of the data stored in relation to the purposes for which they were collected is carried out periodically.

RIGHTS SPECIFIED

It is hereby specified that, with reference to Visiting PhD students' personal data, Visiting PhD students have the following rights:

1. access to your personal data;
2. obtain the correction or cancellation of the same or the limitation of the processing that concerns you;
3. oppose the treatment;
4. portability of data (law applicable to data only in electronic format), as governed by art. 20 GDPR;
5. propose a complaint to the supervisory authority (Guarantor for the protection of personal data)
