Selected candidates will be exempted from paying the tuition fees due for A.Y. 2021/22, except for the first instalment (i.e. 188 € admission fee).

In order to accept the fee-waiver, under penalty of loss, candidates are required to accept the admission offer received from the Admissions and Welcome Unit - Global Engagement Office via the platform <https://apply.unipd.it/> and pay the admission fee by the deadline indicated in the offer message.

Candidates admitted with a conditional offer must fulfil the missing admission requirements (e.g. entry qualification and/or English language certificate) within **September 30th 2021**.

Should fee-waivers recipients not accept the admission offer and the benefit granted, fee-waivers could be assigned to the next eligible candidate, as defined by the degree programme Academic Committees. Candidates will be contacted directly by the Admissions and Welcome Unit - Global Engagement Office.
