In the section "DOCUMENTS TO BE SUBMITTED WITH THE APPLICATION FORM" you must upload all the documents specified for the selection for each PhD course, with the exclusion of reference letters which must be submitted via a specific procedure (see par. 3). Therefore we advise applicants to pay special attention to the documents to be submitted listed in the PhD course table in order to upload them all correctly.

WATCH OUT: In this section you must upload the documents requested for the recognition of the foreign academic degree (art. 3.3 of the selection announcement - Admission of applicants with foreign (non-Italian) qualifications).

The files must be in pdf format and readable. For each file a brief description is needed (fig. 13).

WATCH OUT: Applicants who, during registration selected "**NO**" in the "**Italian Citizenship**" field and did not indicate a "**tax code**", will be only allowed to add their original signature to the application, i.e. they will only see the "no digital signature" option during the signature process.

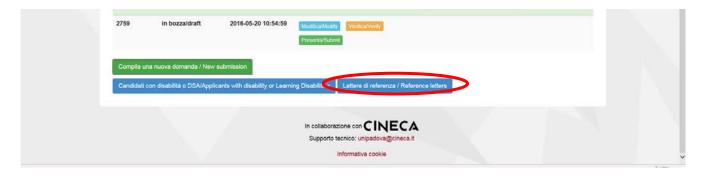

If you choose to sign with no digital signature you must print the pdf application, sign it, scan it, and upload it. If applicants have not done so before, they must upload an identity document in the Personal Data section. We advise to check that the uploaded file is complete. Applicants can upload only one file, so if they must also upload the identity document, the application form and the identity document must be scanned together.

After the submission applicants will receive an email with the confirmation of the submission. Applicants will always be able to login to their account, personal data and application form.

REFERENCE LETTERS

If applicants want to submit reference letters among the documents for the PhD course, after the submission of the application form they will find the button 'Reference letters' in the dashboard (fig 21). Applicant must click on it and fill in the relevant information in order to send to the chosen referees the request for the letter. Applicants must specify the institutional email address of the referee, not a personal email address.

Fig. 21 – Reference letters

The referee specified will receive the request to fill in the reference letter and can submit it by August 5th, 2024 at 1 pm CEST. We advise applicants to inform referees that they will receive the request. If the referee fills in and submits the letter, the applicant will receive an email specifying that the letter has been submitted. Applicants, however, can always check the status of the request. Reference letters uploaded by applicants will not be taken into consideration.

If applicants wish to change the referee they must ask for technical assistance by clicking <u>here</u>, specifying the ID of the application.

APPLICATION FORM MODIFICATION OR WITHDRAWAL

If applicants need to modify the application form after the pdf has been created:

- if they have submitted the application form and received the email of confirmation, they cannot modify the application form but they will be able to withdraw it following the relevant procedure available on the dashboard and submit a new application form;
- if they have created the pdf file but they have not completed the submission (the pdf file has not been uploaded yet
 and so they haven't received the email of confirmation), then they must contact for technical assistance by clicking
 here and ask to have the application re-opened. In the email they must specify the reason of their request and the ID
 of their application form, and attach copy of their identity document.
