Welcome 2022

Welcome meetings

Welcome meetings are designed to facilitate student's first contact with the campus and its facilities. Welcome meetings are a key opportunity to get acquainted with the new educational environment, exploring teaching activities and methodologies.

| Physics of data | 30 sept |
| Sustainable chemistry and technology for circular economy | 14 oct |

Discover the city

The University of Padua and the City are deeply merged together and share a friendly and exciting atmosphere. Guided tours will give you the opportunity to discover the most beautiful corners of Padova. Let's explore together our Univer-City!

University services for International students

We are by your side to support you from the very beginning!
The Admission and Welcome unit will assist you for all enrolment procedures and you will have the opportunity to have the support of a buddy.
SAOS Desk will provide you with all the information to finalize your residence permit application, organizing a series of online meetings to explain how to fill in the Residence Permit request. SAOS desk organizes as well group meetings held in presence during which students will fill in the documents to request the Residence Permit.

Campus tour

In-person campus visits consist of an outdoor-only walking tour with a currently enrolled student. Walking tours last approximately 1 hour. These tours will give you the opportunity to see directly the most relevant didactic and administrative facilities. You will also have the chance to see study rooms, canteens, libraries and other important seats. Tours will start on 20th September and will end on 14th October, each week from Tuesday to Friday.

Global Citizenship Program

A 10-hrs Course addressed to International students which will help them to gain confidence with different intercultural skills and their possible applications in daily life or to face the most relevant global challenges. Participants will receive an Open Badge, at the end of the Program.
