3 Accommodation and Canteens

Due to the limited number of places available in the students' halls of residence, only non-European students who need a study visa to enter and stay in Italy can apply for accommodation in the first round. These students will be **invited by email** to fill in an Accommodation form, in order to request a place. The rooms will be assigned based on the chronological order of the requests. We cannot guarantee that all non-European students will be assigned a room. Should any rooms be available for a second round of applications for accommodation, also students holding a European citizenship will be allowed to fill out the accommodation form.

Accommodation form for Unipd halls of residence:

Deadlines:

students will be personally invited by email to fill out the Accommodation form around May/June and October/November.

Price range: € 290 - € 420 per month

Booking fee: € 380 to be paid in advance

Housing contracts duration

The accommodation offers sent by SASSA Service will report standard dates of start/end, which correspond to the duration of the semesters. Students can always ask for customised start/end dates if their stay differs considerably from the standard dates. Students may have to arrange an alternative accommodation if they arrive earlier than their place is available.

Further information regarding on-campus accommodation in Unipd is available at:

[Accommodation | Università di Padova \(unipd.it\)](#)

Private housing

As an alternative to on-campus accommodation, students can search for private rooms/apartments on *HousingAnywhere*, an international housing platform through which they can book a room/apartment offered by verified private landlords and by outgoing students.

To receive a Unipd VIP profile and priority access to the listings:

<https://www.unipd.it/housinganywhere-pd-en>

Canteens

There are 4 University canteens all around the city and 1 canteen in Agripolis Campus.

Price Range for exchange students: € 4,60 - € 5,70 per meal

Courses available to exchange students

Course catalogue

English version: <http://en.didattica.unipd.it/>

Italian version: <http://didattica.unipd.it/>

In the Course Catalogue the Educational offer is divided per School. The language of the course is indicated in every course page.

Students can easily identify the course units they are allowed to attend, with the label *“The course unit can be attended by Erasmus+ and other exchange students”*.

Exchange students should carefully read the Guide *“How to choose courses at Unipd”* ([available here](#), Step 3) which contains instructions on how to browse the Course Catalogue, how to fill out the Learning Agreement and on the restrictions on course units for exchange students.

The start and end dates mentioned in the course catalogue are the general term dates. You can check the real start date of your classes on the [timetable portal](#) (fully updated a few weeks before the start of the courses).

Language of instruction

The main language of instruction at Unipd is Italian, but we offer a large number of complete degree courses and course units held in English. Make sure to check in our Course Catalogue the teaching language for each course unit.

Credit and grading

Unipd uses the ECTS credit transfer system.

The grades for each exam successfully passed can range from 18 to 30. In case of exceptional performance, the grade is 30 cum laude. In some courses, the grade can be expressed instead as “fail”, “sufficient”, “satisfactory”, “good”, “very good” or “excellent”.

For other courses and activities, such as the Italian Language Laboratory for exchange students (3 ECTS), the positive assessment is not expressed in terms of a grade but simply as “Pass”.

Standard course load

20-30 ECTS per semester is the average/suggested amount for exchange students (**not** mandatory for Unipd!).

30 ECTS is the standard full-time semester load for degree seeking students.

1 ECTS credit equals 25 hours of study, including contact hours and self-study.

Course registration

Students do not need to enroll formally in course units.

Two online platforms are used for course and exam registration:

- [“Uniweb”](#) student portal: students must fill out a study plan here, which will allow them to sign up for exams at the end of the classes.
- [“Moodle”](#) teaching platforms: professors use it to share teaching materials with students and give info about the course unit. It is recommended to register in each course unit before classes start.

Examinations

Each exam session usually offers 1 or 2 exam dates for each course. It is possible to sit an exam on the first date and then re-sit it on the second date in case of failure (unless formally prohibited by the responsible Professor), or during the following sessions, including the remedial exam session in September.

Exception: for trimesters, exams failed in the first trimester cannot be re-sit in April.

Transcript issuance

Unipd will send the Final Transcript of Records (list of all the passed study activities and of their respective grades) directly to an email address of the student’s Home University. Students will have to request the ToR online only after all the exams are registered in the online “booklet” in the Uniweb student portal. Failed exams are not registered in the online booklet; therefore, they will not be reported in the ToR.
