Zhumatayev	Damir	Techniques and Methods in Psychological Science
Pham	Quoc Phi Anh	Techniques and Methods in Psychological Science

Selected candidates will be exempted from paying the tuition fees due for A.Y. 2021/22, except for the first instalment (i.e. 188 € admission fee).

In order to accept the fee-waiver, under penalty of loss, candidates are required to accept the admission offer received from the Admissions and Welcome Unit - Global Engagement Office via the platform <https://apply.unipd.it/> and pay the admission fee by the deadline indicated in the offer message.

Candidates admitted with a conditional offer must fulfil the missing admission requirements (e.g. entry qualification and/or English language certificate) within **July 31st 2021**.

Should fee-waivers recipients not accept the admission offer and the benefit granted, fee-waivers could be assigned to the next eligible candidate, as defined by the degree programme Academic Committees. Candidates will be contacted directly by the Admissions and Welcome Unit - Global Engagement Office.

Should you require further information or assistance, please contact: international.admission@unipd.it
