

UNIVERSITY OF PADOVA ENROLLMENT PROCEDURE NATIONAL PHD PROGRAMME IN NATIONAL INTEREST IN TECHNOLOGIES FOR FUNDAMENTAL RESEARCH IN PHYSICS AND ASTROPHYSICS 39TH SERIES - A.Y. 2023/2024

The enrollment procedure at the PhD courses at the University of Padova is organized in three phases:

- 1) Registration in the University online system UNIWEB
- 2) Completing the online enrollment form and upload attachments
- 3) Registration fee payment

The online procedure is open till 6 October 2023 at 12.00 (CEST)

1° Phase: Registration in the University online system UNIWEB

1. From the website <http://www.unipd.it/> log into Uniweb services (top left menu) according to the given instructions
2. From the menu on top right side:
 - a) click on Login (if you have been previously enrolled at the University of Padova)
 - b) click on Registration (if you have never been previously enrolled at the University of Padova)
 - c) click on "Forgotten password" (if you don't remember your username and password or if they have expired).
3. Once you have logged in click on 'Home' from menu on top right side.
4. In the section Master data you must check or update your personal data and contact details (residence and domicile addresses, email, phone numbers), and check the authorizations on the communications of your personal data.
You should then fill in the data of your bank account by clicking on 'Home' – 'Master data' – 'Edit bank account refund data'. From the dropdown menu click on 'Rimborso Bonifico Bancario' and fill in the data requested. The student must be the account owner.
If you do not have a bank account yet, these data must be filled in by 6 November 2023. If you do not meet the aforementioned deadline, there may be problems in the payment of the PhD scholarship.

2° Phase: Completing the online enrollment form and upload attachments

1. Click on 'Home' → 'Enrolment' → 'Enrolment' → 'Enrolment' → "Standard" and then on 'Enrolment in unlimited-place degree courses' and finally on 'PhD courses'.
2. Choose the course you want to enroll in and follow the procedure.

3. Fill in with the data of your ID document and upload a .pdf file containing the picture of the same document you used to complete this procedure.
4. Upload a color passport-size photo, where your face is clearly visible, preferably 35mm wide and 40 mm high (40 Megabytes max, saved as .jpeg or .jpg format), if not already uploaded.
5. Check or fill in the data of your entry qualification (both if it has already been awarded or if it is still to be awarded – by 31 October 2023).
6. Upload the documents related to the application **duly filled in and signed and available on the webpage <https://www.unipd.it/en/national-phd-programme-technologies-fundamental-research-physics-astrophysics>**:
 - place acceptance form (1 .pdf file max weight 3MB)
 - specific documentation of the place (maximum 4 .pdf files max weight 3MB). Here you can upload Form 1 for assignees with scholarships. In the case of joint attendance with Medical Specialization, Form 2 and the authorization of the Medical Specialization School and the Board of the PhD Course must also be uploaded here in accordance with the provisions of the Call.
Upload here Form 3 in case of scholarship funded by MD 117/2023 or MD 118/2023 funds.
 - *mandatory*: for candidates with an academic qualification awarded abroad:
 - a) in case of academic qualifications awarded in non-EU Countries: a copy, in Italian or English, of the second-cycle degree (Master's degree) as well as a copy of the certificate indicating the examinations taken and the relative grades, together with the translation, legalisation and Declaration of Value issued by Italian diplomatic or consular authorities or, alternatively, Statements of Comparability and Verification issued by ENIC-NARIC;
 - b) in case of academic qualifications awarded in European Union Countries: Diploma and Diploma Supplement in English for the second-cycle qualification (Master's degree) or, alternatively, Statements of Comparability and Verification issued by ENIC-NARIC centres;
 - *mandatory*: for candidates with a foreign academic qualification not yet awarded:
 - a) certificate or self-certification (in the cases provided for by Italian law) attesting the enrolment in a second cycle degree (Master's degree);
 - b) certificate or self-certification (in the cases provided for by Italian law) of the list of exams/transcript of records of the second-cycle degree (Master's degree), with grade;
 - *if available*: a valid residence permit if already issued, or a copy of the receipt of the request made to the competent Authorities within 8 days from first arriving in Italy (only for non-EU citizens) (.pdf file max weight 3MB)
7. The data of the first enrollment in the University system will appear. Check or specify the academic year.

If all the information is correct, the registration document can be viewed and printed by clicking on "Print registration application". The printout has the value of a personal summary; therefore, it is NOT necessary to go to the PhD Office.

If you want to delete or modify the online enrollment form click on 'New enrollment'. The system will delete the old enrollment and accept the new one.

3° Phase: Registration fee payment

You will then have to pay the registration fee of € 200.00 through PagoPA following the instructions available on the page <https://www.unipd.it/en/pagopa>

Enrollment will be verified and finalized after the acquisition of the payment of the registration fee; the PhD office will make a telephone or e-mail contact only if the documentation is incomplete. **We therefore recommend that you pay the fee as soon as possible.**

Failure to submit the enrollment form and the relevant attachments by 6 October 2023 at 12.00 (CEST) and payment of the registration fee by 6 October 2023 at 23.59 (CEST), will be considered as firm withdrawal from the place/scholarship. Therefore, failure to meet the deadline will result in the loss of the entitlement to enroll in the specific Course and no justification will be accepted for the delay. The place will be considered vacant and available for replacements.

Should any places with funding become available following withdrawals, other eligible candidates in the ranking may apply for such vacant places.

The following will not be accepted as proof of enrollment:

- only the payment of the contribution of euro 200,00
- only the online completing of the enrollment form
