PREAMBLE

This “**Call for Student Fees and Exemptions**” governs the criteria for determining the fee due from students enrolled in Bachelor’s, Master’s and Single-cycle’s degree programmes (hereinafter, for reasons of brevity, the “degree programmes”) at the University of Padua (hereinafter, for reasons of brevity, the “University”) as well as the methods for payment.

It also indicates the various types of exemption reserved for certain categories, along with the methods for any reimbursement.

Those who wish to take advantage of the services provided by the University must have made all due payments of the fee, divided into three instalments for each academic year.

1. STUDENT FEES

The amount for enrolled students is calculated on the basis of income, merit and personal situation.

The total maximum amount of the fee for the 2025/26 a.y. (shown in Table 1) is calculated by adding together:

A) the ALL-INCLUSIVE FEE (which varies according to the degree programme);

B) the REGIONAL FEE for the right to university education and stamp duty.

The degree programmes are divided as follows:

- **Group A (Humanities):** all degree programmes for the Schools of Economia e Scienze Politiche, Giurisprudenza, Scienze Umane, Sociali e del Patrimonio Culturale;
- **Group B (Scientific + Primary Education Sciences):** all degree programmes for the Schools of Agraria e Medicina Veterinaria, Ingegneria, Medicina e Chirurgia, Psicologia, Scienze, and the degree programmes in Scienze della Formazione Primaria and Management dei servizi educativi e formazione continua.

Table 1: Total maximum amount for groups of degree programmes

Group of the degree programme	Maximum all-inclusive fee A)	Maximum regional fee and stamp duty B)	Total maximum amount A) + B)
Group A	€ 2,750.00	€ 189.00 + € 16.00= € 205.00	€ 2,955.00
Group B	€ 2,950.00	€ 189.00 + € 16.00= € 205.00	€ 3,155.00

If a student simultaneously enrolls in several degree programmes at Universities in Veneto, the amount of the regional fee for the right to university education must be paid only once to the University indicated as the main place of study. Any refund due is processed upon request, subject to verification of the double payment, in the event of concurrent enrolment at another University.

The exemptions, total or partial, of the annual fee apply to both enrolments if the requirements are met.

To obtain a reduction of fees, you must fill in the **APPLICATION FOR BENEFITS** in Uniweb (see paragraph 2).

The total amount due is divided into **3 instalments**, which cannot be further deferred.

✓ FIRST INSTALMENT

Enrolment in the academic year will be completed on payment of the **FIRST FEE INSTALMENT**, the maximum amounts of which are:

a) **€ 205.00** for those who enrol in the **first year** of the degree programmes, consisting of:

- € 189.00: regional fee for the right to university education;

- € 16.00: stamp duty.

The amount of the all-inclusive fee due shall be divided entirely between the second and third instalments.

Payment must be made **at the time of registration**, according to the procedures and deadlines provided for in the individual calls for admission.

- b) **€ 585.00** for those who enrol in **years subsequent to the first** of degree programmes, consisting of:
- € 380.00: advance payment of the all-inclusive fee;
 - € 189.00: regional fee for the right to university education;
 - € 16.00: stamp duty.
- Payment must be made **by 30 September 2025**.
- c) **€ 16.00**, as stamp duty, for those who enrol in **years subsequent to the first of degree programmes**, and **who are eligible in the ranking of the regional scholarships** for the 2024/25 academic year.
- Payment must be made **by 30 September 2025**.
- PLEASE NOTE:** those who do not apply for a scholarship for the 2025/26 academic year or who are not eligible for the competition, from the day of publication of the final rankings will find in Uniweb, under "Right to study - Certifications of disability/dyslexia, Summer courses – Payments", any adjustment to the first instalment to be paid **by 30 November 2025**.
- d) **€ 16.00**, as stamp duty, for persons enrolled in years subsequent to the first, who have a **recognised disability equal to or greater than 66% or with a certificate pursuant to (Italian) Law no. 104/92** to be paid **by 30 November 2025**. First-year enrollees pay the first instalment of € 205.00 and will receive a refund of € 189.00 upon verification of the certification submitted.

The payment of the first instalment **is not due** for those who graduate **by DECEMBER 2025** as this is the final graduation session for the 2024/25 academic year.

✔ SECOND AND THIRD INSTALMENTS

The total amount of the **SECOND** and **THIRD INSTALMENTS** corresponds to the remaining part of the all-inclusive fee due and not included in the first instalment, divided in half.

The all-inclusive fee, increased by any surcharges for students who are behind schedule, is calculated on the basis of the specific group, the ISEE value and the exemptions applied.

No payments are due in the event of a total amount of less than € 5.00.

Payment of the **second instalment** must be made by the deadline of **15 February 2026**.

Payment of the **third instalment** must be made by the deadline of **15 May 2026**.

A **simulator** can be used for calculating the estimated fee due for the 2025/26 academic year (including any surcharges due from students who are behind schedule), available at: www.unipd.it/en/services/fees-simulator

2. HOW TO OBTAIN ECONOMIC BENEFITS: REDUCTIONS AND EXEMPTIONS

To obtain reductions and exemptions depending on economic conditions, **you must complete the following steps:**

- A. complete and confirm the **APPLICATION FOR BENEFITS (Richiesta di Agevolazioni)** in Uniweb;
B. request the issuance of the **ISEE certificate (Indicatore della Situazione Economica Equivalente, Equivalent Economic Situation Indicator)** **for the Benefits for the Right to University Education**.

A. The **APPLICATION FOR BENEFITS** is a self-certification that must be completed and confirmed online in order to obtain a reduction in fees. In doing so, you are authorising the University to acquire your ISEE certificate directly from the INPS database (or from the Tax Assistance Centre (CAF) affiliated with the University, in the case of an ISEE Parificato).

- ✓ **WHERE TO SUBMIT THE APPLICATION:** The **Application for Benefits** is available exclusively **online, in your personal area in Uniweb**, under “Right to study - Certifications of disability/dyslexia, Summer courses - Application for Benefits”.
Entry of the Application for Benefits is possible after registration with Uniweb. For this purpose, only the tax code is required; it is not necessary to have already registered. **It follows that those who register during the year (registrations in Master’s degree programmes, transfers from another University, etc.) are also required to comply with the deadline indicated below.**
- ✓ **VERIFICATION TOOLS:** once completed, the application must be definitively confirmed, under penalty of invalidity. The student will receive an email at their personal or institutional email address confirming receipt of the Application for Benefits. A second confirmation e-mail will also be sent when the ISEE data has been acquired. **The Application for Benefits saved in UNIWEB's personal area constitutes the only evidence of the submission of the application, therefore it is recommended that students make sure that it is available.**
- ✓ **IN THE EVENT OF CHANGES:** the Application for Benefits can be amended directly by the user, using the same procedure, until **30 November 2025**. **You can find the checks made to the application in your personal area in Uniweb.** After that date, a late submission fee will apply.

B. For the ISSUANCE of the ISEE certificate, the student must submit and sign a Single Declaration in Lieu (*Dichiarazione Sostitutiva Unica, DSU*), electronically through the INPS website or personally at a Tax Assistance Centre (CAF) or other competent Body. Please note that the date of signature indicated on the receipt for submission of the DSU and not the date of issue of the ISEE certificate will be valid.

ISEE CERTIFICATE TO REQUEST

- ✓ **UNIVERSITY ISEE**
The University may only acquire an **ISEE certificate for Prestazioni Agevolate per il Diritto allo Studio Universitario (benefits connected with the right to university education)** issued to the benefit applicant (in the case of members of the same household, the tax codes of all applicants must be provided).
The ISEE certificate must **be valid**, i.e. it must not have expired on the date of confirmation of the Application for Benefits in Uniweb. In the case of an ISEE certificate not issued for the right to university education, or if the ISEE certificate has expired upon confirmation of the Application for Benefits, a new certificate must be requested within the scheduled deadlines.
The student is also required to verify that **there are no comments on omissions/discrepancies** on the ISEE certificate. If there are omissions/discrepancies, a new DSU must be submitted promptly, including the information previously omitted or otherwise expressed, within the deadlines set.
- ✓ **CURRENT ISEE**
It is an indicator calculated from an ISEE certificate for the Right to University Study with the above-mentioned requirements, but referring to income over the last twelve months, and **can only be requested if the conditions imposed by the relevant regulations are met** (for more information, contact a CAF/professional). The relevant DSU must, in any case, be signed within the scheduled deadlines, and the certificate must possess the characteristics mentioned above. If it is used, the relevant certificate must be sent to the e-mail address benefici.studenti@unipd.it by the deadlines below.
- ✓ **ISEE PARIFICATO FOR INTERNATIONAL STUDENTS**
It is a different certification required for:
 - **international students residing abroad (outside Italy)**, with a household residing abroad (outside Italy);
 - **international students** residing in Italy, but **with earned income of less than € 9,000.00 and with a household residing abroad (outside Italy)**;
 - **Italian students residing abroad (outside Italy)**, enrolled or not in the Italian Register of Residents Abroad (AIRE).

Issuance of the ISEE Parificato must be requested exclusively from the CAF affiliated with the University, the details of which may be viewed at www.unipd.it/en/isee

PLEASE NOTE: Students with non-EU citizenship, with a household not residing in Italy and registered from the A.Y. 2023/24 pay a fixed fee (see Table 4) and may only use the ISEE Parificato to obtain a reduction of the regional fee.

The ISEE Parificato can be used also to participate in the call for regional scholarships (and, in the event of eligibility, students will be exempt from the fee).

The data contained in the ISEE certificate, if valid, compliant and issued for the right to university education, will be acquired directly from the INPS database (or from the CAF affiliated with the University, in the case of an ISEE Parificato) following confirmation of the Application for Benefits in Uniweb.

Once the ISEE has been acquired, the fee will be automatically recalculated within a couple of days.

DEADLINE

Both mandatory steps to obtain reductions and exemptions (i.e.: confirmation of the **Application for Benefits** and signing of the DSU for **ISEE** purposes) must be completed **by 30 November 2025**. This deadline also applies to those who register during the year (for example, those awaiting publication of the ranking of an admission competition).

Those who enrol in years subsequent to the first and complete these two steps by the deadline for the payment of the first instalment (30 September) will be able to obtain early recalculation of the first instalment.

AFTER THE DEADLINE

It is possible to obtain a recalculation of the fee after the deadline upon payment of a late submission charge of:

- € 109.00 for DSUs signed and/or Applications for Benefits confirmed **from 1 December and by 15 February 2026**;
- € 218.00 for DSUs signed and/or Applications for Benefits confirmed **from 16 February and by 15 May 2026**.
- € 327.00 for DSUs signed and/or Applications for Benefits confirmed **from 16 May and by 30 September 2026**.

Following the acquisition of the ISEE certificate and the automatic fee recalculation, the updated fee amount will be uploaded to Uniweb and must be paid **by 30 September 2025**.

From 1 October 2026, it is no longer possible to obtain reductions in the fee for the 2025/26 academic year.

The **Complete Guide to the Application for Benefits and Calculation of the ISEE** is available at www.unipd.it/en/isee.

3. TERMS OF PAYMENT AND REFUNDS

The student's fee position is defined as in order when the past due fees relating to the current year and previous academic years have been paid, including the financial obligations for penalties, as well as the fees resulting from the total or partial withdrawal of funds already disbursed.

Payments must be made exclusively via **PagoPA** (see www.unipd.it/en/pagopa for details), accessible directly from the personal area in Uniweb, by selecting "Right to study - Certifications of disability/dyslexia, Summer courses – Payments". The success of the payment must be verified in the same section. No other forms of payment are allowed.

University fees (including pre-enrolment and pre-registration) are normally non-refundable, even if the student has not carried out any didactic or career activity. However, students can request the return of fees in the event of double payments or payments not due, using the forms and following the instructions available at www.unipd.it/en/contribution-refund-request

If a credit condition arises due to having paid the instalments in full before the application of any reductions and/or exemptions, the **University will pay the refunds automatically** by the end of the relevant academic year (the minimum refundable amount is € 5.00).

Reimbursements will be credited exclusively to the bank details (IBAN) of the student's current account (held individually or jointly), or prepaid card, which must be entered by the student in the Uniweb personal area, under "Home, Master Data, Refund methods, Edit Bank Account Refund Data" (bank details of third parties, including parents, cannot be accepted).

If the student resides abroad (outside Italy), he/she must specify his/her domicile in Italy in the Uniweb personal area, under "Home, Master data, Modify domicile address"; otherwise it will be impossible to proceed with the refund.

Staff in service at the 'Due Palazzi' prison in Padua, as part of the 'Università in carcere' (University in Prison) project, are entitled to **partial exemption from the payment of the all-inclusive fee**, which entails the payment of a fixed annual fee of **€ 380.00** in addition to the regional fee and stamp duty. This exemption entails, in addition to the payment of the regional variable fee according to the ISEE and stamp duty, payment of the fixed annual all-inclusive fee of € 380.00 – already included in the first instalment for those who enrol in years subsequent to the first or divided into the second and third instalments for those who enrol in the first year.

The application for this exemption will be considered to have been submitted after the submission of the certification confirming the entry into service at the 'Due Palazzi' prison, to be sent to benefici.studenti@unipd.it **by the end of the current academic year**.

L. EXEMPTION RESERVED FOR STUDENTS ENROLLED IN THE PART-TIME STUDY SCHEME

Those who choose to enrol in the part-time study scheme are required to pay the three fee instalments for each academic year of enrolment. The student is required to pay the regional fee for the right to university education, stamp duty and 60% of the fee paid by students enrolled in the same full-time programme.

The application for enrolment in the part-time study scheme must be submitted by **30 October 2025**, exclusively using the online procedure available on Uniweb and specified at: www.unipd.it/en/fee-waivers

The above deadline can be waived only for students enrolled in Master's degree programmes who complete their registration during the year after said deadline; in this case, however, the request must be submitted at the same time as the registration.

The list of degree programmes eligible for the part-time study scheme can be viewed at: www.unipd.it/en/fee-waivers
Students must also meet one of the following requirements in order to be eligible for this benefit:

- be simultaneously **engaged in** employed, self-employed or professional, public or private, full-time or part-time **work** for a period of time of no less than six months and at the time of the request;
- be caregiver students or students who are engaged not on an occasional basis in **the care and assistance of relatives who are not self-sufficient** due to age (children under 3 years) or health problems (parents, mother- or father-in-law, cohabiting sons or daughters, siblings, spouse);
- suffer from a disease that, without affecting learning ability, physically prevents or discourages a full-time commitment;
- be simultaneously enrolled at Higher Institutes of Music and Dance Studies or in university-level courses;
- be involved in sports activities at a high competitive level, national and/or international.

Please note that:

- the part-time study scheme option is binding on the student **for two academic years** (also not consecutive, in case of interruption and/or suspension), after which, during the annual enrolment renewal, it will be possible to opt again for a two-year period under the part-time study scheme, by resubmitting the application and related documentation;
- **the maximum number of credits** that can be acquired over the two-year period, on a part-time scheme basis, is **72**. Exceeding the envisaged limit will entail the automatic cancellation of any reductions obtained and recalculation of the fee due;
- if the student waives the benefit and/or completes the degree programme in advance of the two-year period granted, he/she will be subject to the full-time study scheme and will have to make a balance payment for a year's full-time fee (if he/she is the recipient of a scholarship, the scholarship difference will not be paid, subject to verification that the merit requirement in relation to full-time enrolment is always met);
- it is valid only for the purposes of the university fee (without affecting the attendance obligation governed by the teaching regulations of the individual degree programmes);
- is incompatible with all other forms of partial exemption from the fee (excluding legal and merit exemption), and with participation in the competition for student collaborations (200 hours).

M. EXEMPTION RESERVED FOR STUDENTS WITH REFUGEE STATUS

Students with refugee, subsidiary protection holder or asylum seeker status with conditional registration are **fully exempt** from the all-inclusive fee, including the pre-enrolment fee; however, the stamp duty and the regional fee for the right to university education remain due.

The application for this exemption will be considered to have been submitted after submission of the certification confirming the refugee status, to be sent to : benefici.studenti@unipd.it and unipd.rescuefund@unipd.it by the end of the current academic year. The fee for the academic years already completed at the time of submitting the application is not recalculated.

The stamp duty and the regional fee for the right to university education remain due.

The request for exemption must be submitted by **28 February 2026** using the online procedure available on Uniweb, under Didattica – Dichiarazioni Aggiuntive Iscrizione Annuale. The fee for the academic years already completed at the time of submitting the application is not recalculated.

7. SURCHARGES FOR STUDENTS BEHIND SCHEDULE (SO-CALLED “FUORI CORSO”)

There is a **surcharge** in student fees for students who are behind schedule (so-called “fuori corso”). The increase in the fee will be applied according to the ISEE and the number of years of enrolment beyond the duration of the degree programme, starting from the first year of registration, according to the following table:

Table 5: Surcharge percentage for students behind schedule

Years beyond the duration of the degree programme	ISEE € 0 - € 150,000.00	ISEE > € 150,000.00
1	0	0
2 - 5	10%	40%
≥ 6	25%	80%

There are no surcharges for the first year of enrolment behind schedule, starting from the academic year of first registration in the university system.

In the event of failure to submit the Application for Benefits in Uniweb, the ISEE will be equal to the maximum value. Years of enrolment in part-time study scheme are excluded from the count.

For students who request the exemption reserved for working students, as provided for by art. 5, letter G, the surcharges are divided by half.

The years of suspension are not taken into account when determining the total number of years of enrolment considered for the application of the increase.
