

CLIVEX

Programme	<u>CLiVEx - CLimate Virtual EXchange: Enhancing climate awareness in Europe and the Southern Mediterranean Area</u>
Overall description	<p>CLiVEx is a Virtual Exchange programme realised within the project “CLiVEx - Climate Virtual ExChange: Enhancing climate awareness in Europe and the Southern Mediterranean Area” funded under the Erasmus+ Programme Key Action 1 Virtual Exchange. The project is coordinated by UNIMED - Mediterranean Universities Union, and jointly implemented by the University of Padua, the An-Najah National University, the Lebanese International University, the Sharing Perspectives Foundation, and the Soliya Association.</p> <p>The programme aims to be an interactive and international online learning experience on one of humanity's greatest challenges: finding just and inclusive ways to respond to the climate crisis. Students will work both individually and in teams with the aim to deliver a Climate Action Project. Teams will groups students from the different partner universities in a multicultural and interdisciplinary perspective. The programme is held entirely online.</p>
Contents	<p>The programme aims to foster the development of transversal skills, such as: intercultural communication and awareness, team-working, digital and linguistic competences, civic engagement, awareness on the topics of sustainability and climate change, in order to promote professional and personal growth and students’ entry into the labour market. The programme is scheduled over 10 weeks, when students will work on intercultural and multidisciplinary teams on a “climate action” project.</p> <p>For further details, see the programme syllabus available at <u>https://www.unipd.it/en/clivex</u></p>
