Call for Applications: Research Exchange

The ARQUS European University Alliance is a cooperation of the Universities Bergen, Granada, Graz, Leipzig, Lyon¹, Padua, and Vilnius, which is funded by the European Commission. Among other activities ARQUS will support research stays at one of the ARQUS partner universities by funding travel expenses and providing opportunities for further intensified cooperation with the host university. In the context of doctoral training, this mobility program can also be used for initiating collaboration with a doctoral co-advisor from one of the ARQUS partner universities.

The planned research stay has a minimum duration of two weeks and a maximum duration of three months depending on the funding category. Eligible for research exchanges are professors, senior researchers, postdocs, doctoral candidates, and advanced master students from all faculties and fields of research.

Funding categories:

Category 1: **Senior Researchers:** 2 to 4 weeks, funding (on a pro rata basis): 1500€ per month

Category 2: **Doctoral Candidates and Master Students:** 2 weeks to 3 months, funding (on a pro rata basis): 1200€ per month

It's strongly recommended that the research stay is agreed with the partner before the application is submitted.

In view of the current situation, the selection panel decided that the **granted funding will remain valid until September 30, 2021.**

NEW Application deadline: June 26, 2020
