Those who have not obtained a high school diploma yet (or a degree, to access to a Master's degree programme) can submit the application, whose acceptance is subject to obtaining the entry title. Once obtained, you must update it in your Uniweb profile (with grade and date of achievement), no later than 31st July 2025.

The enrolment is completed once the student number has been assigned – starting from 4th August 2025 and in good time for the start of lessons – after the office in charge has assessed possession of the necessary requirements as per the Call for admission. A confirmation email is sent after the procedure has been completed.
