### **Please note that**

Withdrawing from studies has **consequences** on the validity of the **residence and study permit**. If you fall in this category please contact the Admissions and Welcome unit (<https://www.unipd.it/en/international-relations>) for information on the procedure that better suits your situation.

## **1. Procedure – Candidates currently enrolled at the University of Padua**

Those who are currently enrolled in a degree programme at the University of Padua, in order to enrol in another degree programme of study (and are not interested or cannot request a degree programme change or a simultaneous enrolment), must first close that career by submitting a withdrawal application.

### **Alternative 1 – Withdrawal prior to or at the same time as enrolment**

Follow the steps below:

1. submit the application to withdraw from the degree programme you are attending, following the instructions on page [www.unipd.it/interrompere-studi](http://www.unipd.it/interrompere-studi);
2. wait for the withdrawal application to be completed by the Front office unit. Contact details are available on page [www.unipd.it/frontoffice-carriere-studenti](http://www.unipd.it/frontoffice-carriere-studenti)
3. submit the enrolment application following the instructions for standard enrolment on page <https://www.unipd.it/en/enrolment-procedures-ita>.

The procedures must be carried out by the enrolment deadlines as per the relevant Call for admission: [www.unipd.it/avvisi-ammissione-corsi](http://www.unipd.it/avvisi-ammissione-corsi). Any delays in completing the withdrawal application that may compromise the possibility of submitting the enrolment by the deadlines must be notified to [immatricolazioni.studenti@unipd.it](mailto:immatricolazioni.studenti@unipd.it).

### **Alternative 2 – withdrawal postponed after acceptance of the place**

In addition to what is already indicated in alternative 1, there is also the possibility of submitting the withdrawal application and completing the enrolment by 30<sup>th</sup> September 2025 (for example, in order to be able to participate in the summer exam session for the degree programme you are currently attending). In this case, you must proceed as follows:

1. Send an email by the enrolment deadline (as per the Call for admission or in the email received for accepting the assigned place) to [pratiche.immatricolazioni@unipd.it](mailto:pratiche.immatricolazioni@unipd.it) with subject "WITHDRAWAL-ENROLMENT + [name of the degree programme]" (for example: *WITHDRAWAL-ENROLMENT Information Engineering*), attaching:
  - Enrolment form;
  - Form for acceptance of enrolment terms for early selections;Both forms must be filled out on screen and signed by hand, they are available at the page: [https://drive.google.com/drive/folders/1rdPsiRVtYhFMUqT6oDNhy8GoBhCU5NLH?usp=drive\\_link](https://drive.google.com/drive/folders/1rdPsiRVtYhFMUqT6oDNhy8GoBhCU5NLH?usp=drive_link)
  - Receipt of payment of the first instalment of the fees for academic year 2025/26 equal to €205.00<sup>2</sup>. The payment must be made by selecting the payment reason "DIDA21 - First/second/single cycle degree enrolment fee" using the following link: <https://unipd.pagoatenei.cineca.it/frontoffice/pagamentospontaneo>
  - Copy of a valid identity document (back and front).

<sup>2</sup> Further information: <https://www.unipd.it/contribuzione-agevolazioni>

2. Submit the withdrawal request as indicated on page [www.unipd.it/interrompere-studi](http://www.unipd.it/interrompere-studi), by **30<sup>th</sup> September 2025**;
3. Notify the withdrawal to [pratiche.immatricolazioni@unipd.it](mailto:pratiche.immatricolazioni@unipd.it), by **30<sup>th</sup> September 2025**. Failure to comply with this deadline will result in exclusion from the ranking list.

After all the steps have been completed and upon verification of the necessary requirements as per the Call for admission, your enrolment will be finalized (in any case not before 4<sup>th</sup> August 2025).

You will then receive an automatic email, containing the student number (matricola).

## **2. Procedure – Candidates currently enrolled in another Italian University**

Those who are currently enrolled in a degree programme at **another Italian University** (and are not interested or cannot request an incoming transfer or a simultaneous enrolment) can proceed as follows:

- Submit the **standard enrolment application** following the instructions as indicated on page <https://www.unipd.it/en/enrolment-procedures-ita>;
- Submit the **withdrawal application** to your home University.

The withdrawal application submission can be carried out before, at the same time or after the enrolment application submission. Until the beginning of academic year 2025/26, no situations of incompatibility will arise between two simultaneously active careers. After this moment, a few overlapping days between the two careers due to the office management time does not have an influence on the process, as what matters is the date of submission of the withdrawal application.

## **3. Procedure – Candidates currently enrolled in a foreign University**

Those who are currently enrolled in a degree programme at a **foreign University** (and are not interested or cannot proceed with the simultaneous enrolment request) can proceed as follows:

- Submit the **standard enrolment application** following the instructions as per the following page <https://www.unipd.it/en/enrolment-procedures-ita>;
- Submit the **withdrawal application** to your home University.

The withdrawal application submission can be carried out before, at the same time or after the enrolment application submission. Until the beginning of academic year 2025/26, no situations of incompatibility will arise between two simultaneously active careers. After this moment, a few overlapping days between the two careers due to the office management time does not have an influence on the process, as what matters is the date of submission of the withdrawal application.
