Announcement of competition to award
Antea scholarships
First Edition 2022

Recitals
The University of Padova, together with Antea S.r.l., is announcing a competition for the assignment of two study awards of 6,000.00 Euros each, paid in two annual instalments for a.y. 2022/23 and 2023/24, in order to facilitate deserving students in the continuation of their studies with the Master's degree in Computer Engineering and Chemical and Process Engineering.

Art. 1 Requirements to be admitted to the competition
The awards are assigned to students who are pre-enrolled in the Master's degree courses in Computer Engineering and Chemical and Process Engineering at the University of Padova for the academic year 2022/23.

Applicants also need to meet the following requirements:
   a) hold a Bachelor's degree, obtained within the normal duration of the course of study at the School of Engineering of the University of Padova by December 31, 2022;
   b) hold an ISEE 2022 issued for benefits related to the Right to Higher Education, without omissions and/or discrepancies, which does not exceed 30,000.00 Euros;
   c) not have been previously convicted of or be currently involved in criminal proceedings.

The study award cannot be combined with the regional scholarship awarded for the 2022/23 and 2023/24 academic years. In the event that the winning students are also eligible for the regional scholarship in one or both of the academic years indicated, they will be asked to opt for only one of the two benefits.

Art. 2 How to submit the application and deadlines for submission
The application must be submitted no later than January 9th, 2023 through the dedicated Moodle platform (https://elearning.unipd.it/ufficiserviziapplicazioni - Area Didattica e Servizi agli studenti – Ufficio Servizi agli studenti – Settore benefici economici – Premi di studio per studenti).

Applicants can access with SSO (Single Sign On) credentials issued by the University of Padua. Who do not have such credentials are required to send an email to premi.studenti@unipd.it (specifying their name, surname, email address and by attaching a copy of a valid ID document), and will receive within a few days the notification of registration to Moodle platform, with the access credentials.

When applying, candidates must strictly follow these steps:
- read the competition notice;
- fill in the application form;
- attach the required documents;
- confirm the application by placing a final check mark.

The following documents must be attached to the online application, under penalty of exclusion from the competition:

-
1. A copy of the ISEE 2022 certificate issued for benefits related to the Right to Higher Education, without
omissions and/or discrepancies, which does not exceed 30,000.00 Euros (only if the Application for
Benefits for the academic year 2022/23 has not been filled in);
2. Curriculum vitae and academic curriculum;
3. Copy of a valid ID document.

Any application which does not meet all these requirements will not be taken into consideration. By
participating in this competition, the applicant fully accepts these regulations. Any falsified documents and/or
mendacious statements will result in the applicant being excluded from the competition or in the right to
compensation if the award has already been assigned.

Applications received after the deadline will not be considered.

Art. 3 How scholarships are awarded
The awards will be assigned following the ranking of the applications as determined by the Evaluation
Committee appointed by the Rector. The Evaluation Committee will include two University representatives
and a representative from Antea S.r.l.

The ranking of the applications will be based on the following criteria:
• merit: the coefficient of merit obtained in the Bachelor's degree and the relative degree mark;
• income: the economic situation of the candidate's family household, based on the ISEE.

The Evaluation Committee will draw up two merit lists, one for students pre-enrolled in the Master's degree in
Computer Engineering and one for those pre-enrolled in the Master's degree in Chemical and Process
Engineering.

In assigning the awards, preference will be given to the student in the first positions. In the event that this
criterion is not applicable due to a lack of applications for one of the two courses, the awards will be
assigned to the first two candidates in the single merit list drawn up.

These merit lists will also be used for possible scrolling in case of:
- failure to complete the enrollment of the winner at the University of Padova;
- renunciation of the award;
- failure to meet the requirements for the payment of the second tranche established for the academic year
2023/24.

The Evaluation Committee has the right not to assign any of the awards if it believes that none of the
candidates reach the required qualification level.

Winning applicants will be informed of the award with an email sent to the account specified in the
registration process. The result of the competition will also be published on the University of Padova website
at www.unipd.it/archivio-borse-premi-studio-studenti.

The curriculum vitae of the winners will be published in the “Amministrazione trasparente” section of the
website of the University of Padua, pursuant to art. 27, c.1, letter F), Legislative Decree no. 33/2013 Riordino
della disciplina riguardante il diritto di accesso civico e gli obblighi di pubblicità, trasparenza e diffusione di
informazioni da parte delle pubbliche amministrazioni (Reorganization of the rules concerning the right of
civic access and the obligations of publicity, transparency and dissemination of information by public
administrations).

Art. 4 Scholarship amount and how it is paid
The amount of each study award is of € 6,000.00, including expenses paid by the institution (I.R.A.P.) and
will be paid in two instalments of € 3,000.00 each.
The first instalment will be paid once the winning applicant completes their enrolment in the Master’s degree in Computer Engineering or in Chemical and Process Engineering at the University of Padova for a.y. 2022/23, and it will be made by February 2023 at the latest.

The second instalment will be paid once the winning candidate completes their enrolment to the same Master’s degree course for a.y. 2023/24, requests an ISEE 2023 issued for benefits related to the Right to Higher Education, without omissions and/or discrepancies, which does not exceed 30,000.00 Euros, and passes enough exams to acquire at least 30 university ECTS credits by 10/08/2023.

Art. 5 Person in charge of the administrative process
Pursuant to art. 4 of law 241 of 7 August 1990 (New norms on administrative procedures and right to access administrative documents), Dr. Alessandra Biscaro, Head of the Student Service Office is appointed to oversee the administrative procedure.

Candidates may exercise their right to access the competition records following the procedures set forth by Presidential Decree no. 184 of 12 April 2006 (Regulation on accessing administrative documents in compliance with item V of law 241/90).

Art. 6 Personal data processing
The personal data collected for the purposes outlined in this announcement of competition is processed in compliance with EU Regulation no. 679 of 27 April 2016 (General Data Protection Regulation, GDPR).

The “data controller” is the University of Padova with registered office in Via 8 Febbraio, 2 - 35122 Padova. The full text of the privacy statement is held by the data controller or it is available at www.unipd.it/privacy
