Announcement of competition to award
Infineon scholarships Ingegneria Elettronica
in memory of Alessia Lovato
Edition 2021

Recitals
The University of Padova, together with Infineon Technologies Italia S.r.l., is announcing a competition for the assignment of two study awards of 5,000.00 Euros each, for a.y. 2021/22 in order to facilitate deserving students in the continuation of their studies with the Master's degree in “Ingegneria Elettronica”.

Art. 1 Requirements to be admitted to the competition
The awards are assigned to students of any nationality who are pre-enrolled in the Master's degree course in “Ingegneria Elettronica” at the University of Padova for academic year 2021/2022.

Applicants also need to meet the following requirements:
  a) hold an Italian or foreign Bachelor’s degree in the Information Engineering field or a sector considered suitable by the Evaluation Committee. The degree must have been completed during academic years 2019/20 or 2020/21, by October 31, 2021;
  b) not have been previously convicted of or be currently involved in criminal proceedings.

The study award cannot be combined with the regional scholarship awarded for the 2021/22 and 2022/23 academic years. In the event that the winning students are also recipients of a regional scholarship in one or both of the academic years indicated, they will be asked to opt for only one of the two benefits.

Art. 2 How to submit the application and deadlines for submission
The application must be submitted no later than November 2nd, 2021 through the dedicated Moodle platform (https://elearning.unipd.it/ufficiserviziapplicazioni - Area Didattica e Servizi agli studenti – Ufficio Servizi agli studenti – Settore benefici economici – Premi di studio per studenti).

Applicants can access with SSO (Single Sign On) credentials issued by the University of Padua. Who do not have such credentials are required to send an email to premi.studenti@unipd.it (specifying their name, surname, email address and by attaching a copy of a valid ID document), and will receive within a few days the notification of registration to Moodle platform, with the access credentials.

When applying, candidates must strictly follow these steps:
- read the competition notice;
- fill in the application form;
- attach the required documents;
- confirm the application by placing a final check mark.

The following documents must be attached to the online application, under penalty of exclusion from the competition:
  1. Bachelor’s degree certificate with the final grade and the list of exams passed during the university career including their grade;
2. Curriculum vitae and academic curriculum (preferably in Europass format);
3. Cover letter saying why the applicant wants to enrol in the Master’s degree in “Ingegneria Elettronica”
   (1 page of maximum 1800 characters, spaces included);
4. Copy of a valid ID document.

Any application which does not meet all these requirements will not be taken into consideration. By participating in this competition, the applicant fully accepts these regulations. Any falsified documents and/or mendacious statements will result in the applicant being excluded from the competition or in the right to compensation if the award has already been assigned.

Applications received after the deadline will not be considered.

Art. 3 How scholarships are awarded
The awards will be assigned following the ranking of the applications as determined by the Evaluation Committee appointed by the Rector. The Evaluation Committee will include two University representatives and a representative from Infineon Technologies Italia S.r.l.

The ranking of the applications will be based on the following criteria:
   a) academic curriculum in line with the learning outcomes of the Master’s degree in “Ingegneria Elettronica”;
   b) grades of the exams passed during the Bachelor’s degree and final grade;
   c) curriculum vitae and academic curriculum;
   d) cover letter;
   e) interview with the Evaluation Committee (optional).

The Committee will draw up two final lists, one of the female candidates and one of the male ones.

In the awarding of the scholarships, preference will be given to the female student and the male one who will have usefully placed in the first positions. If this criteria is not applicable due to a lack of female or male candidates, the scholarships will be awarded to the first two candidates in the final list.

This final list of candidates will be used also in case not all winning candidates enrol at the University of Padova or accept the award.

The Evaluation Committee has the right not to assign any of the awards if it believes that none of the candidates reach the required qualification level.

Winning applicants will be informed of the award with an email sent to the account specified in the registration process. The result of the competition will also be published on the University of Padova website at www.unipd.it/archivio-borse-premi-studio-studenti.

Winning applicants will give a short presentation by videoconference with Infineon Technologies Italia S.r.l., will have the opportunity to visit the company in person, and will be able to work with the company on their thesis.

The curriculum vitae of the winners will be published in the “Amministrazione trasparente” section of the website of the University of Padua, pursuant to art. 27, c.1, letter F), Legislative Decree no. 33/2013 Riordino della disciplina riguardante il diritto di accesso civico e gli obblighi di pubblicità, trasparenza e diffusione di informazioni da parte delle pubbliche amministrazioni (Reorganization of the rules concerning the right of civic access and the obligations of publicity, transparency and dissemination of information by public administrations).
