3 Accommodation and Canteens

Residence Halls

Although double and joint degree students' requests for on-campus accommodation are prioritised, non-European students' requests will be favoured (in consideration of the visa requirements about accommodation).

Given the very limited number of rooms available in the dorms, we advise European students to look for private accommodation and to start looking at least 6 months in advance (Padua has a large student population: finding accommodation may be very difficult). Therefore we warmly recommend that students invited to request a place in the dorms take advantage of this opportunity, keeping in mind that the number of rooms is in any case very limited.

Accommodation form:

Deadlines:

students will be personally invited by email to fill out the Accommodation form around May/June and October/November.

Costs:

Price range: € 245 - € 350 per month

Booking fee: € 350 to be paid in advance

Further information regarding on-campus accommodation in Unipd is available at:

<https://www.unipd.it/en/accommodation-jointdouble-degrees>

Housing contracts duration

The accommodation offers sent by SASSA Service will report standard dates of start/end, which correspond to the duration of the semesters. Students can always ask for customised start/end dates if their stay differs considerably from the standard dates. Students may have to arrange an alternative accommodation if they arrive earlier than their place is available.

Private housing

As an alternative to on-campus accommodation, students can search for private rooms/apartments on *HousingAnywhere*, an international housing platform through which they can book a room/apartment offered by verified private landlords and by outgoing students.

To receive a Unipd VIP profile and priority access to the listings:

<https://www.unipd.it/housinganywhere-pd-en>

Canteens

There are 4 University canteens all around the city and 1 canteen in Agripolis Campus.

Price Range for exchange students: € 4,60 - € 5,70 per meal

The canteen service is provided by ESU – Regional Agency for the Right to Study:
