Due to the limited number of places available in the students' halls of residence, only non-European students who need a study visa to enter and stay in Italy can apply for accommodation in the first round. These students will be invited by email to fill in an Accommodation form, in order to request a place. The rooms will be assigned based on the chronological order of the requests. We cannot guarantee that all non-European students will be assigned a room. Should any rooms be available for a second round of applications for accommodation, also European students will be allowed to fill out the accommodation form.

**Housing contracts duration**

The accommodation offers sent by SASSA Service will report standard dates of start/end, which correspond to the duration of the semesters. Students can always ask for customised start/end dates if their stay differs considerably from the standard dates. Students may have to arrange an alternative accommodation if they arrive earlier than their place is available.

Further information regarding on-campus accommodation in Unipd is available at: [Accommodation | Università di Padova (unipd.it)](https://www.unipd.it/housinganywhere-pd-en)

**Private housing**

As an alternative to on-campus accommodation, students can search for private rooms/apartments on HousingAnywhere, an international housing platform through which they can book a room/apartment offered by verified private landlords and by outgoing students.

To receive a Unipd VIP profile and priority access to the listings: [https://www.unipd.it/housinganywhere-pd-en](https://www.unipd.it/housinganywhere-pd-en)

**Canteens**

There are 4 University canteens all around the city and 1 canteen in Agripolis Campus. Price Range for exchange students: € 4,60 - € 5,70 per meal

The canteen service is provided by ESU – Regional Agency for the Right to Study: [https://www.esu.pd.it/en/our-main-activities/food-services-canteens](https://www.esu.pd.it/en/our-main-activities/food-services-canteens)
Academic calendar

The organisation of the academic activities in trimesters or semesters depends on the degree course, not on the choice of students. The term system on which the course unit is based is displayed in the Course Catalogue.

Recommended arrival dates and ORIENTATION

Orientation activities usually take place before classes begin or during the first week of classes. Further information: http://www.unipd.it/en/welcome-days

(The programme will be updated a couple of months before the start of the classes)
Courses available to exchange students

Course catalogue
English version: http://en.didattica.unipd.it/
Italian version: http://didattica.unipd.it/
List of courses held in English: http://en.didattica.unipd.it/catalogues

In the Course Catalogue the Educational offer is divided per School. The language of the course is indicated in every course page. Students can easily identify the course units they are allowed to attend, with the label “The course unit can be attended by Erasmus+ and other exchange students”.

Exchange students should carefully read the Guide “How to choose courses at Unipd” (available here, Step 3) which contains instructions on how to browse the Course Catalogue, how to fill out the Learning Agreement and on the restrictions on course units for exchange students.

The start and end dates mentioned in the course catalogue are the general term dates. You can check the real start date of your classes on the timetable portal (fully updated a few weeks before the start of the courses).

Language of instruction
The main language of instruction at Unipd is Italian, but we offer a large number of complete degree courses and course units held in English. Make sure to check in our Course Catalogue the teaching language for each course unit.

Credit and grading
Unipd uses the ECTS credit transfer system. The grades for each exam successfully passed can range from 18 to 30. In case of exceptional performance, the grade is 30 cum laude. In some courses, the grade can be expressed instead as “fail”, “sufficient”, “satisfactory”, “good”, “very good” or “excellent”.
For other courses and activities, such as the Italian Language Laboratory for exchange students (3 ECTS), the positive assessment is not expressed in terms of a grade but simply as “Pass”.

Standard course load
20-30 ECTS per semester is the average/suggested amount for exchange students (not mandatory for Unipd!).
30 ECTS is the standard full-time semester load for degree seeking students.
1 ECTS credit equals 25 hours of study, including contact hours and self-study.

Course registration
Students do not need to enroll formally in course units.
Two online platforms are used for course and exam registration:
- “Uniweb” student portal: students must fill out a study plan here, which will allow them to sign up for exams at the end of the classes.
- “Moodle” teaching platforms: due to the online teaching, it is required to register in each course unit before classes start.

Examinations
Each exam session usually offers 2 exam dates for each course. It is possible to sit an exam on the first date and then re-sit it on the second date in case of failure (unless formally prohibited by the responsible Professor).

Transcript issuance
Unipd will send the Final Transcript of Records (list of all the passed study activities and of their respective grades) directly to an email address of the student’s Home University. Students will have to request the ToR online only after all the exams are registered in the online “booklet” in the Uniweb student portal. Failed exams are not registered in the online booklet; therefore, they will not be reported in the ToR.
