### Recommended arrival dates and ORIENTATION

Orientation activities usually take place before classes begin or during the first week of classes  
Further information: <http://www.unipd.it/en/welcome-days>

## **Courses available to exchange students**

---

### **Course catalogue**

English version: <http://en.didattica.unipd.it/>

Italian version: <http://didattica.unipd.it/>

List of courses held in English:

<http://en.didattica.unipd.it/catalogues>

In the Course Catalogue the Educational offer is divided per School. The language of the course is indicated in every course page.

Students can easily identify the course units they are allowed to attend, with the label *“The course unit can be attended by Erasmus+ and other exchange students”*.

If the TEACHING MODALITY is different from in-class teaching (i.e. online, blended), it will be mentioned in the *“Syllabus”* section before the start of the classes.

Exchange students should carefully read the Guide [“How to choose courses at Unipd”](#) which contains instructions on how to browse the Course Catalogue, how to fill out the Learning Agreement and on the restrictions on course units for exchange students.

### **Language of instruction**

---

The main language of instruction at Unipd is Italian, but we offer a large number of complete degree courses and course units held in English. Make sure to check in our Course Catalogue the teaching language for each course unit.

### **Credit and grading**

---

Unipd uses the ECTS credit transfer system.

The grades for each exam successfully passed can range from 18 to 30. In case of exceptional performance, the grade is 30 cum laude. In some courses, the grade can be expressed instead as “fail”, “sufficient”, “satisfactory”, “good”, “very good” or “excellent”.

For other courses and activities, such as the Italian Language Laboratory for exchange students (3 ECTS), the positive assessment is not expressed in terms of a grade but simply as “Pass”.

## **Standard course load**

---

20-30 ECTS per semester is the

average/suggested amount for exchange students (not mandatory for Unipd!).

30 ECTS is the standard full-time semester load for degree seeking students.

1 ECTS credit equals 25 hours of study, including contact hours and self-study.

### **Course registration**

---

Students do not need to enroll formally in course units.

Two online platforms are used for course and exam registration:

- “Uniweb” student portal: students must fill out a study plan here, which will allow them to sign up for exams at the end of the classes.
- “Moodle” teaching platforms: due to the online teaching, it is required to register in each course unit before classes start.

### **Examinations**

---

Each exam session usually offers 2 exam dates for each course. It is possible to sit an exam on the first date and then re-sit it on the second date in case of failure (unless formally prohibited by the responsible Professor).

### **Transcript issuance**

---

Unipd will send the Final Transcript of Records (list of all the passed study activities and of their respective grades) directly to an email address of the student’s Home University. Students will have to request the ToR online only after all the exams are registered in the online “booklet” in the Uniweb student portal. Failed exams are not registered in the online booklet; therefore, they will not be reported in the ToR.

## 6 Erasmus+ Scholarship

### Travel Costs

---

Students must purchase the travel ticket themselves.

The scholarship paid at the beginning of their stay at Unipd will include a fixed contribution to travel costs, based on the travel distance per participant (calculated using the distance calculator supported by the European Commission):

- 100 - 499: € 180 per participant
- 500 - 1999 KM: € 275 per participant
- 2000 - 2999 KM: € 360 per participant
- 3000 - 3999 KM: € 530 per participant
- 4000 - 7999 KM: € 820 per participant
- 8000 KM or more: € 1500 per participant

The travel contribution will be paid regardless of the means of transportation used and the travel cost.

### Individual support

---

Students will receive € 850 per month to cover their subsistence costs.

The scholarship will be paid as follows:

- a first instalment via bank transfer including the 70% of the total individual support and the full travel contribution
- a final balance before departure calculated on the exact amount of days of the stay

### Scholarship payment process

---

Unipd will support students in opening an Italian bank account (free at Banca Intesa Sanpaolo for Unipd students under 26 years) and the first payment will be made in about 7-10 days after the IBAN code is provided by students.

At the end of their stay, students must notify the Mobility Unit of their exact final departure date and fill out the EU Survey for Erasmus+ beneficiaries that they will receive by email directly from the European Commission. The balance payment will be then transferred to their Italian bank account.

The balance is calculated according to the exact number of days of the stay (1 day = € 28,33).
