Contracts may include a different commitment of hours as determined by the selection committee based on requests and the budget allocated by area.

Eligible candidates may be involved only on the basis of additional needs either in support of degree programs or in support of central projects.

The selected tutors, in compliance with their scheduled commitments, will have to produce, at the end of their activity, a report in which they will describe the activities carried out. Tutoring activities will be supervised by the contact persons of the Projects and the University Tutoring Commission.

The Student Services Office reserves the right to carry out appropriate monitoring on the progress of ongoing tutoring activities.
