APPLICATION FORM ACCESS

Once registered, it is possible to access the website [https://pica.cineca.it/unipd/dottorati36/](https://pica.cineca.it/unipd/dottorati36/) and login with username and password to fill in the application form by clicking on 'New Submission'. Before filling in the application form applicants can modify their personal data by clicking on the top right button (User Profile) and choose what to modify (fig.4).

**Fig. 4 – New submission**

The first section is Personal Data. The data have partially been transferred from the registration procedure. There are some more data to be filled in (fig. 6). In case there are mistakes in the personal data applicants can modify them by clicking on the top right button (User Profile).

**WATCH OUT**: after filling in you always need to click on the button “SAVE AND PROCEED”.

If the data have been correctly filled in you will directly go to the next section. Otherwise error messages will display and you will have to correct the data (fig. 6).
In the Section DECLARATIONS you must read a list of declarations and upload an identity document (Identity card, Passport or Driving licence).

In the following section applicants must choose the PhD Course (fig. 7), the order of the curricula (if any), the places, and the scholarships with priority research topic (if any) they want to apply for.

**WATCH OUT:** PhD courses in ECONOMICS AND MANAGEMENT and MOLECULAR SCIENCES have different selection procedures according to the curriculum. For these two courses, in the online application candidates will be asked to select which curriculum they wish to apply for and, depending on the choice made, the places available.

If specified in the PhD table applicants will also see scholarships reserved to applicants with foreign qualifications. Eligible applicants can specify their interest to apply for such scholarships. If these scholarships are awarded via separate rankings, eligible applicants must choose if they want to apply for this particular kind of scholarships or for the other places/scholarships available.

If specified in the call applicants will also see the Higher-level apprenticeship contracts potentially available. Under these contracts PhD students are employed by a company with a 3 year contract in order to develop the research topic specified. In order to apply for these contracts it is necessary to give the consent to the treatment of your data, so that such data can be communicated to the companies for possible interviews.

Some PhD courses have places reserved for candidates with Chinese citizenship who graduated from Guangzhou University (PRC). Candidates holding these requirements can apply for this kind of places, which however are exclusive: applying for them implies that the candidate cannot compete for any other type of places. Moreover, depending on the chosen PhD course, applicants may find other questions/fields linked to the selection procedure.
In the following section (ADMISSION QUALIFICATION – RELEVANT OPTIONS) applicants must choose one out of the four options proposed (fig. 8).

Fig. 8 – ADMISSION QUALIFICATION – RELEVANT OPTIONS

In the following section applicants must fill in the data of their admission qualification, either already awarded or to be awarded by September 30th, 2020 (fig. 9).

Fig. 9 – ADMISSION QUALIFICATION – DETAILS

In the section “DOCUMENTS TO BE SUBMITTED WITH THE APPLICATION FORM” you must upload all the documents specified for the selection for each PhD course, with the exclusion of reference letters which must be submitted via a specific procedure (see par. 3). Therefore we advise applicants to pay special attention to the documents to be submitted listed in the PhD course table in order to upload them all correctly.

WATCH OUT: In this section you must upload the documents requested for the recognition of the foreign academic degree (art. 3.3 of the selection announcement - Admission of applicants with foreign (non-Italian) qualifications).
The files must be in pdf format and readable. For each file a brief description is needed (fig. 10).

**Fig. 10 – DOCUMENTS TO BE SUBMITTED WITH THE APPLICATION FORM**

After filling in this section applicants will be redirected to the dashboard where they see the draft of their application form. In order to submit it applicants must click on submit (fig. 11).

**Fig. 11 – Submission of the application**

If the application has been filled in correctly you will see the pdf file of the application. In case there are mistakes applicants receive an error message and the application must be corrected. When the application has been corrected you are directed to the following section and you must click on ‘Submit’ (fig. 12).
After the submission you will see three possibilities to sign the application. You must choose one and follow the instructions (fig. 13).

**Fig. 13 – Signature**
WATCH OUT: Applicants who, during registration selected "NO" in the "Italian Citizenship" field and did not indicate a "tax code", will be only allowed to add their original signature to the application, i.e. they will only see the "no digital signature" option during the signature process.

If you choose to sign with no digital signature you must print the pdf application, sign it, scan it, and upload it. If applicants haven’t done so before, they must upload an identity document in the Personal Data section. We advise to check that the uploaded file is complete. Applicants can upload only one file, so if they must also upload the identity document, the application form and the identity document must be scanned together.

After the submission applicants will receive an email with the confirmation of the submission and a password that will allow them to check the final rankings. Applicants will always be able to login to their account, personal data and application form.

3. REFERENCE LETTERS

If applicants want to submit reference letters among the documents for the PhD course, after the submission of the application form they will find the button ‘Reference letters’ in the dashboard. Applicant must click on it and fill in the relevant information in order to send to the chosen referees the request for the letter. Applicants must specify the institutional email address of the referee, not a personal email address.

The referee specified will receive the request to fill in the reference letter and can submit it by June 18th, 2020 at 13:00 CEST. We advise applicants to inform referees that they will receive the request. If the referee fills in and submits the letter, the applicant will receive an email specifying that the letter has been submitted. Applicants, however, can always check the status of the request. Reference letters uploaded by applicants will not be taken into consideration.

If applicants wish to change the referee they must send an email to unipadova@cineca.it specifying the ID of the application form.

4. APPLICATION FORM MODIFICATION OR WITHDRAWAL

If applicants need to modify the application form after the pdf has been created:

- if they have submitted the application form and received the email of confirmation, they cannot modify the application form but they will be able to withdraw it following the relevant procedure available on the dashboard and submit a new application form;

- if they have created the pdf file but they have not completed the submission (the pdf file has not been uploaded yet and so they haven’t received the email of confirmation), then they must write to unipadova@cineca.it and ask to have the application re-opened. In the email they must specify the reason of their request and the ID of their application form, and attach copy of their identity document.
