- SCHOOL OF SCIENCE - Statistics for economics and business, Statistics for technology and science

**TOLC-SU** allows for enrolments in the following degree programmes:
- SCHOOL OF ECONOMICS AND POLITICAL SCIENCE - Political science, Political sciences, international relations, human rights, Economic law
The score achieved will only be used to determine any additional learning requirement (OFA) to be fulfilled but it will not affect the possibility of enrolment; in this regard, please check the call for applications available at https://www.unipd.it/avvisi-ammissione-lauree-triennali-ciclo-unico.

In some cases, as outlined in the relevant call for applications, you will be required to enter your score during the pre-enrolment procedure on Uniweb.

**ENROLMENT PROCEDURES**

For all of the above-mentioned degree programmes, you need to **pre-enrol** using the portal www.uniweb.unipd.it (only if not done already) **from 12.00 noon on 1 October to 12.00 noon on 8 October 2020**, and wait for an automatic update of the test score. You will then be able to submit your enrolment application online (instructions available at https://www.unipd.it/corsi/iscriviti) **from 3 October to 12.00 noon on 9 October 2020**. The Enrolment Unit is available for further information; contact details available at https://www.unipd.it/immatricolazioni.
