UNIVERSITY OF PADUA

FOUNDED IN
1222

THE UNIVERSITY

The University of Padua is a world-leading research-intensive university that has been driving global change since its foundation in 1222. Loyal to its motto **Universa Universis Patavina Libertas** (Paduan freedom is universal for everyone), it has always been a bastion of free thought, study and research.

During eight centuries, students, researchers and alumni have provided key contributions to the advancement of knowledge, science and society: **Nicolaus Copernicus** and **Galileo Galilei** are among the fathers of modern science, **Andreas Vesalius** and **William Harvey** founded modern medicine and **Elena Lucrezia Cornaro Piscopia** became the world's first woman to graduate in 1678.

The University of Padua is today a multidisciplinary institution with 8 Schools and 32 Departments offering a broad and comprehensive portfolio of programmes, ranging from Engineering to Business and Political Sciences, from Medicine to Humanities, from Psychology to Agriculture, from Law to Science.

The 4 Departments of the School of Agriculture and Veterinary Medicine are located in the Agripolis campus, less than 10km far from downtown Padua. Other research and teaching facilities are situated in various towns of the Veneto region,

ENROLLING AT THE UNIVERSITY OF PADUA

International students who wish to pursue their education in Italy are always welcome at the University of Padua.

The academic year starts on 1st October and ends on 30th September of the following year.

ENROLLING IN BACHELOR'S, MASTER'S AND SINGLE-CYCLE DEGREE PROGRAMMES

International students can submit their application on apply.unipd.it, a user-friendly platform where they should upload all the necessary documents and have their educational background checked by the Academic Committee.

Admission procedures may include a compulsory test, to be sat online (e.g.: TOLC) or in Padua.

The number of places available for each programme can be either limited (by the University itself, or on a national basis by the Italian Ministry of University and Research, e. g. the Single-cycle degree in Medicine and Surgery) or unlimited.

The application timeline varies according to the type of programme and may include one or more application periods, starting from November each year.

www.unipd.it/en/how-to-apply

Classes begin between the end of September and the first weeks of October and are organised either in semesters or in trimesters, according to the programme.

Information on timetables is available at: www.gestionedidattica.unipd.it/PortaleStudenti

ENROLLING IN SINGLE COURSE UNITS

The University of Padua gives the opportunity to attend up to 5 individual course units per academic year and to sit the respective examinations without being enrolled in the complete programme. Anyone can apply to single course units, even if already enrolled at a public or a private university in Italy (except for the University of Padua) or abroad. A fee is charged for enrolment in each unit. Enrolment in single course units is not available for all programmes.

www.unipd.it/en/single-course-units

www.unipd.it/en

ENROLLING AT THE UNIVERSITY OF PADUA

ENROLLING IN A PhD

The University of Padua strongly prioritises third-level education and has been expanding its support for research training, in order to ensure the highest standards. Complete descriptions of research fields, methods and selection criteria are available in the Call for admission published each academic year (usually in Spring) on the University's website.

www.unipd.it/en/phd-programmes

ENROLLING IN SHORT SPECIALISATION DEGREES

Postgraduate students can enrol in short specialisation degrees, a series of courses with limited places focusing on specific subjects. To check admission requirements, deadlines and available scholarships, students need to refer to the Call for admission of the course they are interested in, which is published annually on the University's website.

www.unipd.it/en/short-specialisation-degrees

GALILEAN SCHOOL OF HIGHER EDUCATION

The Galilean School of Higher Education is a unique opportunity to become part of a community, whose members are accommodated free-of-charge in a dedicated college, enjoying a series of opportunities and sharing their learning experience. This top-level educational path includes a Bachelor's or Master's degree at the University of Padua, seminars and

additional courses taught by internationally-renowned lecturers, professors and tutors, and individual guidance activities. Every year 30 students (8 for Humanities, 8 for Social Sciences and 14 for Natural Sciences) of any nationality are selected through a rigorous test for admission to the first year in the School. Moreover, up to 4 international students can be admitted to the first year of a Master's degree following selection with public Call for admission.

MARCO POLO PROJECT

The Marco Polo project was set up to encourage Chinese students to acquire a proficiency level (B1/B2 of the Common European Framework) in Italian language through intensive courses in Italy, held from November to August.

Marco Polo candidates can then enrol in a study programme at the University of Padua following the standard admission procedures, without applying for a new visa.

www.unipd.it/en/marco-polo-project

FUNDING AND FEES

DEGREE PROGRAMME FEES (BACHELOR'S, MASTER'S, SINGLE CYCLE DEGREES)

Payment of university fees gives students access to all services provided by the University of Padua. The maximum fee depends on the programme, but it does not exceed 3,000 euros per year and it is divided into 3 instalments.

www.unipd.it/en/tuition-fees-23-24

EU/EEA STUDENTS

EU students and students coming from the European Economic Area can have their tuition fees significantly reduced based on the student's financial standing, which is assessed by the University of Padua's partner Fiscal Assistance Centre. This service is offered free of charge and is also useful to access other benefits and funding opportunities.

SCHOLARSHIPS AND AWARDS

The University of Padua and other public or private institutions allocate a series of merit-based and income-based scholarships to support students.

Among others, the **Padua International Excellence Scholarship** is the perfect opportunity reserved to

highly talented prospective international students wishing to pursue a Bachelor's or Master's degree completely held in English.

Moreover, students may also be entitled to other kind of fee-waivers.

www.unipd.it/en/scholarships-international-students

www.unipd.it/en/fee-waivers

Awards for specific categories (e.g. students with special sport or academic achievements) are available as well.

www.unipd.it/en/awards

SHORT SPECIALISATION DEGREE COURSE FEES

The Call for applications specifies the fee and the number of scholarships and awards of each course. Reductions are envisaged for students with disabilities and students from developing countries.

PhD FEES

To attend a PhD programme, students need to pay a standard fee which is automatically deducted from their scholarship (if the candidate is granted one).

A UNIQUE STUDENT EXPERIENCE

GLOBAL ENGAGEMENT OFFICE

The Global Engagement Office provides international students with information on the educational offer, scholarships and other services granted by the University. It supports students with the pre-enrolment and enrolment procedures, including the verification of entry requirements and the evaluation of foreign qualifications. The team also welcomes international students upon their arrival and promotes welcome initiatives.

www.unipd.it/en/international-relations

CHINA UNIT

The China Unit, launched in 2015 as China Desk, targets and supports collaborations with China. It offers a dedicated front-office for current and prospective Chinese students, plus supports and monitors projects with Chinese institutions and universities. The overseas office in Guangzhou further bridges the cultural and physical distance between the two Countries.

BUDDY

International students enrolling in a degree programme or spending a mobility period (e.g. Erasmus) in Padua are assigned a Buddy, i.e. a senior university student who will welcome and support them during their stay.

www.unipd.it/en/buddy

CANTEENS

All students and staff can use the canteens managed by the ESU or other partners. Canteens are located in the city centre or near the main University buildings.

www.unipd.it/en/canteens

GUIDANCE AND TUTORING

The Study Advice service helps prospective students to find the right academic path by discussing their cultural background, interests, aptitude and professional ambitions. The tutoring service supports enrolled students throughout their university career. Tutors help them to manage their study time, deal with examination planning, support the preparation and share learning experiences.

www.unipd.it/en/study-support

HOUSING

During their university career in Padua, students can find accommodation:

- at **ESU residences**. Fees depend on income, merit and type of accommodation. An online Call for

applications is published every year at the beginning of the summer.

www.esu.pd.it/en/

- in **private halls of residence**: different prices and conditions are applied based on supplied services (e.g. half/full board). Some private residences reserve some places for international students.
- in **private flats**, possibly shared with other people. Our Housing Office supports international students in searching suitable accommodation in the private market and dealing with accommodation paperwork.

www.unipd.it/en/housing

INCLUSION

Students with disabilities or Specific Learning Disabilities (SLD) have access to specific tools and services supplied by the University of Padua in order to overcome barriers and be as independent as possible in their studies. Students with a disability can also benefit from special scholarships and fee-waivers, based on family income, merit and disability level.

www.unipd.it/en/students-special-needs

LANGUAGE COURSES

The CIA (Centro Linguistico di Ateneo - University Language Centre) promotes the learning of modern foreign languages and of Italian as a foreign

language. It organises courses and learning activities, encourages self-learning initiatives, and carries out language assessments of any type and at any level. It features a media library, whose resources are accessible for free to all students and staff.

www.cla.unipd.it/en

LIBRARIES AND STUDY ROOMS

Thanks to 29 libraries within the University Library System, the University of Padua offers an extremely wide range of volumes, magazines, electronic scientific journals, e-books, sector-specific databases, and other multimedia products. Students are free to use any University study and computer rooms, in addition to library reference rooms.

www.unipd.it/en/multimedia-facilities

MEDIA

The University of Padua has a multimedia platform, il Bo Live, that serves both as daily newspaper and virtual notice board. The university radio station, RadioBue.it, is fully integrated in the platform.

ilbolive.unipd.it

MUSEUMS

The University Museum Centre coordinates and promotes the activities of its 13 museums and 10 collections, an extremely diverse patrimony of scientific, artistic and historical artefacts, items and

HEALTHCARE AND PSYCHOLOGICAL SUPPORT

International students can benefit from the National Health Service, on certain conditions, just like Italian citizens. The Psychological Assistance Service is a point of reference for any students who encounter psychological difficulties during their studies (anxiety, relationship problems, academic performance). It provides counselling and valuable information and support regarding addictions (smoking, alcohol, drugs, eating disorders etc.). The service is completely free of charge for all students of the University of Padua.

www.unipd.it/en/healthcare

SPORT

Thanks to the CUS (Centro Universitario Sportivo - University Sports Centre), the University of Padua offers many possibilities to practice sport (e.g. athletics, rugby, volleyball, basketball, boat races) both at competitive and amateur levels in two sports facilities in Padua. Every year students can take part in the Ludi del Bo (tournaments for university students and staff) and in the National University Championships. The University supports students with disabilities willing to practice sport, especially Paralympic disciplines. The

University of Padua also grants some financial benefits to athlete-students with specific competitive sport merits.

www.unipd.it/en/sport-leisure

www.unipd.it/en/awards

STUDENT ASSOCIATIONS

The University of Padua features several social, cultural and sport associations involving the university community and the citizens of Padua.

International Student Council is the representative association of international students at the University of Padua, providing support and promoting social interaction and cultural exchanges.

Erasmus Student Network (ESN) is a non-profit international student organisation that provides opportunities for cultural understanding and self-development under the principle of "Students Helping Students".

Concentus Musicus Patavinus is the centre for musical activities and live performances of the University, which includes various groups such as orchestra (classical), large choir, chamber choir, jazz band and contemporary dance.

Students and staff participate in many theatre companies, which promote acting courses, workshops and shows, even with a multilingual twist.

www.unipd.it/en/associations

INTERNATIONAL EXPERIENCES

The University of Padua provides all students with global perspectives during their studies. The **international dimension** of the University is witnessed both by the growing number of programmes completely held in English and by an increasing range of initiatives. Students develop an international and intercultural approach thanks to an integrated teaching method that suggests a global vision on the key elements debated during the lessons. This modern perspective is ensured by a significant presence of international visiting scientists and professors from outstanding universities and research institutes. Becoming a student of the University of Padua means accessing to an open and vibrant community, made of local and international students, as well as internationally mobile incoming students with many different cultural and educational backgrounds. The participation of the University in several international networks, such as the *Arqus European University Alliance*, *Venice International University*, the *Coimbra Group*, *UNIMED* and *Uniadrión*, further enhances the array of international experiences students can benefit from. Exchange programmes, virtual and blended mobility, language trainings and an active involvement in the Alliance activities are some of the opportunities available to students.

JOINT AND DOUBLE DEGREE PROGRAMMES

The University of Padua offers a variety of international joint and double degree programmes in cooperation with key partners worldwide.

The programmes are based on complementary courses at the partner universities, which offer their leading expertise to the students.

Students enrolling in such programmes spend one or more semesters at a partner university and acquire either a single qualification jointly released by both academic institutions (**joint degree**) or two degree titles, released by the involved institutions (**double degree**). Among others, *Erasmus Mundus Joint Master Degrees* are an example of joint programmes, where students are required to attend modules in at least two Higher Education Institutions in two different countries. At the end of the programme, successful students will be awarded a double, multiple or joint degree.

Engineering students also have the chance to participate in one of the double degree programmes offered in the framework of the prestigious *Top International Managers in Engineering (TIME)* Association.

www.unipd.it/en/joint-and-double-degree-programmes

www.unipd.it/en/international-joint-master-degrees

INTERNATIONAL EXPERIENCES

INTERNATIONAL MOBILITY

For over 30 years, the University of Padua has strongly encouraged student mobility as a unique experience: whether they choose to spend a **study period abroad**, carry out **international research projects** or **internships** at a partner university, students not only improve their intercultural and language skills, but also acquire new and valuable competences in a different academic context.

Thanks to several bilateral agreements with other universities in Europe and all over the world, every year thousands of students take part in mobility programmes or attend international courses, thus having the chance to study new subjects, get to know different cultures and benefit from other educational approaches.

The University of Padua is also a significant player in the **Erasmus+ Programme**, which enables students to spend a long-term period abroad at partner universities or to take part in *Blended Intensive Programmes* combining a significant virtual component with a short physical mobility. It also joined the *Swiss European Mobility Programme* (SEMP), which allows students to spend a study period at a partner university in Switzerland. Furthermore, the University of Padua has developed its own overseas programme, *Ulisse*, which offers

students the opportunity to study/research at partner universities outside the EU.

www.unipd.it/en/erasmus-studies-out

www.unipd.it/en/ulisse

www.unipd.it/en/erasmus-traineeship-mobility

VIRTUAL EXCHANGE

The University of Padua has several active *Virtual Exchange* programmes. Jointly organised between at least two international universities, *Virtual Exchange* is an accessible, ground-breaking international experience, leveraging on new technologies and a common lingua franca, without entailing physical mobility. Based on a student-centred and learner-led collaborative experience, it aims at developing a common project and/or discussing interdisciplinary topics with a challenged-based approach.

www.unipd.it/en/virtual-exchange-students

SUMMER AND WINTER SCHOOLS

Top quality short-term intensive courses are jointly organised by the University of Padua and other national and/or international institutions. Activities are usually carried out in English and include workshops, practical exercises, seminars, lab activities and guided tours, all held in an international environment.

www.unipd.it/en/summer-and-winter-schools

WORKING WHILE STUDYING

WORK OPPORTUNITIES

In accordance with the Italian law, EU students are free to work during their studies; non-EU students with a valid residence permit are allowed to work up to 20 hours/week. The University of Padua offers some part-time jobs, which are advertised in specific public Calls for applications.

www.unipd.it/en/part-time-job-opportunities

INTERNSHIPS AND APPRENTICESHIPS

The University of Padua promotes, through the Career Service Office, training periods in companies, public or professional bodies. They are addressed to currently enrolled students (curricular internship), recent university graduates, who can apply within 12 months after earning their degree (extracurricular internship), and unemployed graduates (work placement/reintegration internship).

www.unipd.it/en/job-placement

ALUMNI

The Alumni association is a community which connects graduates of different ages, sectors and places where everyone has the same consideration and is granted free access. Motivated by the founding values of the University, alumni are bearers of the *Universa Universis Patavina Libertas* motto all over the world.

www.unipd.it/en/alumni

THE CITY OF PADUA

Situated in the heart of north-eastern Italy, and less than 40 km from Venice, Padua is one of the most beautiful cities in Italy, with over 3,000 years of history.

This rich cultural heritage, appreciated every year by thousands of tourists, includes the Scrovegni Chapel - a **UNESCO World Heritage Site** with its frescoes painted by Giotto, Prato della Valle - one of the biggest squares in Europe, the thirteenth century Palazzo della Ragione - the world's largest hall without supporting columns, the world's oldest university Botanical Garden - a **UNESCO World Heritage Site**, and a historical city centre, with picturesque squares, palaces and museums.

Padua offers an extended cycling path network multiple bike sharing and electric scooter options with special discounts for students.

Thanks also to its close ties with the University, Padua is a lively and dynamic city offering numerous events in the fields of art, music, theatre, cinema and sport throughout the year.
