

TYPES OF MSCA POSTDOCTORAL FELLOWSHIPS

Postdoctoral Fellowships either can take place in Europe (i.e. in an EU Member State or a Horizon Europe Associated Country) or in a Third Country not associated to Horizon Europe:

- **European Postdoctoral Fellowships** are open to researchers of any nationality who wish to engage in R&I projects by either coming to Europe from any country in the world or moving within Europe.
- **Global Postdoctoral Fellowships** are open to European nationals or long-term residents who wish to engage in R&I projects with organisations outside EU Member States and Horizon Europe Associated Countries. These fellowships require an outgoing phase of maximum 24 months in a non-associated Third Country, and a mandatory 12-month return phase to a host organisation based in an EU Member State or a Horizon Europe Associated Country.
