Selection notice to award scholarships for international students at risk 2023/24

ART.1 - Students at risk

As decided by the Board of Administration in its meeting on 28 February 2023 (minutes no. 32/2022 Reg. n. 36277), the University of Padua offers up to 22 scholarships to international students at risk wishing to enrol on a degree programme of the University of Padua and it will launch a fundraising campaign for potential additional scholarships financed by public and private institutions.

The scholarship includes an allowance of € 8,000.00 (gross for the recipient) and a tuition fee-waiver per academic year. The only amount to be paid by scholarship recipients is the admission fee, consisting of the regional tax for the right to education and the revenue stamp, corresponding to € 200. Such an amount is not refundable. Reimbursement of travel, insurance or other expenses is not included in the scholarship and will not be covered by the University of Padua.

The scholarships run for one academic year and renewal is not allowed. Once the above-mentioned period has elapsed, students will be required to pay the tuition fees due until graduation, according to the [call for applications for tuition fees and fee waivers](#), which details also all the exemption possibilities. Moreover, from the second year, students will be able to apply for the regional scholarship, according to the procedures explained at <https://www.unipd.it/en/veneto-region-scholarship>.

Students at Risk scholarships cannot be combined with any other grant awarded by other public institutions. If a candidate has been awarded more than one scholarship, he/she must choose which one to accept. Candidates are responsible for notifying the Admissions and Welcome Unit - Global Engagement Office (unipd.rescuefund@unipd.it) of any incompatibility with other scholarships.
