If all the information is correct, the registration document can be viewed and printed by clicking on "Print registration application". The printout has the value of a personal summary; therefore, it is NOT necessary to go to the PhD Office.

If you want to delete or modify the online enrollment form click on 'New enrollment'. The system will delete the old enrollment and accept the new one.

### **3° Phase: Registration fee payment**

You will then have to pay the registration fee of € 205.00 through PagoPA following the instructions available on the page <https://www.unipd.it/en/pagopa>

Enrollment will be verified and finalized after the acquisition of the payment of the registration fee; the PhD office will make a telephone or e-mail contact only if the documentation is incomplete. **We therefore recommend that you pay the fee as soon as possible.**

**Failure to submit the enrollment form and the relevant attachments by 1 October 2025 at 13.00 (CEST) and payment of the registration fee by 1 October 2025 at 23.59 (CEST), will be considered as firm withdrawal from the place/scholarship.** Therefore, failure to meet the deadline will result in the loss of the entitlement to enroll in the specific Course and no justification will be accepted for the delay. The place will be considered vacant and available for replacements.

Should any places with funding become available following withdrawals, the following may apply for such vacant places: winners who already enrolled without scholarship, winners of a place without funding who haven't enrolled by the deadline for the enrolment, the other eligible candidates in the ranking. Those candidates who within the application form indicated that they competed exclusively for unfunded places cannot apply for vacant places with fundings.
