**Discussion**

EURAXESS is a unique web portal promoted by the European Commission, which offers **job, funding and hosting opportunities, career development** guidance and free tools to researchers and innovators seeking to advance their careers and personal development by moving to other countries. The EURAXESS network counts **43 European countries** and 9 worldwide hubs.

**Svetlana Dimitrova**

is a Project Manager at Sofia University and coordinates the national network EURAXESS Bulgaria. Her experience in many network projects is related to the creation of tools and programmes for the support of researchers' career development.

**Tanya Yordanova**

is a Projects and Programmes Expert at Sofia University and is Global Career Development Facilitator (GCDF) certified. She coordinates the global integration EURAXESS Mentoring Programme "Shape the Future of a Researcher Coming to Europe". Her recent experience is related to a number of Erasmus+ projects.

International Research Office, University of Padua – individual.grants@unipd.it

The ERA TALENT project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement No 101103476
