

ALLEGATO 1 - ELENCHI DEI QUESITI PER IL COLLOQUIO

1

- What is the primary purpose of the "Procedures for entry, residency and enrolment of international students"?
- What are the types of cooperation and partnership projects that are supported under Key Action 2 (KA2) in the Higher Education Sector?
- Illustrare lo scopo della creazione di "Filtri" nel software applicativo Excel™

2

- Explain to whom the "Procedures for entry, residency and enrolment of international students" apply and why.
- Erasmus+ KA2 Cooperation partnerships: what is the minimum and maximum duration of a project and the most relevant funding rules?
- Illustrare i principali scopi del software applicativo Excel™

3

- What is the role of the UNIVERSITALY portal in the pre-enrollment process?
- Within the Erasmus Mundus Action, what is the difference between an Erasmus Mundus Joint master project and an Erasmus Mundus Design Measure project?
- Illustrare i principali scopi del software applicativo Word™

4

- What is the significance of the validation of a pre-enrollment application by higher education institutions?
- What are the four Erasmus + transversal priorities?
- Illustrare lo scopo della creazione di "Grafici" nel software applicativo Excel™

5

- Does the validation of a pre-enrollment application guarantee the issuance of a study visa? Why or why not?
- What are the activities funded under the Erasmus+ KA1 and who can submit applications for funding?
- Illustrare i principali scopi del software applicativo Power Point™

6

- What factors do diplomatic-consular missions consider when evaluating study visa applications?
- What is the first and most important eligibility criteria for Higher Education Institutions willing to apply for funds under the Erasmus+ KA?
- Illustrare la funzione "sommario" in word

7

-
- What is the role of the Police Office ("Questura") concerning residency of international students coming from non UE countries?
 - Which activities can be typically carried out within an Erasmus+ KA2 project, referring to the project lifetime?
 - Illustrare i principali scopi del software applicativo Teams™

8

- What are the responsibilities of higher education institutions in the pre-enrollment process?
- What are the priorities set in the 2025 E+ programme guide for the Capacity Building in higher education action?
- Illustrare la funzione "Somma" in Excel™

9

- What information must higher education institutions provide to prospective international students?
- How are Erasmus+ student mobility periods under the KA1 structured in terms of duration and destination?
- Illustrare la funzione "Media" in Excel™

10

- What documentation is typically required from candidates during the pre-enrollment process?
- What is the Erasmus+ "Learning Agreement" and how does it benefit both students and institutions?
- Illustrare la funzione "Conta" in Excel™

11

- How do higher education institutions assess the eligibility of foreign qualifications?
- How does Erasmus+ ensure the academic recognition of study periods abroad for students?
- Illustrare la funzione "Somma automatica" in Excel™

12

- What is the procedure that international candidates should follow when applying for courses with a national admission test, such as Medicine and Surgery?
- What are the responsibilities of home and host institutions during a student's Erasmus+ exchange?
- Illustrare la funzione "Annulla digitazione" in Word™

13

- Who is responsible for verifying the actual eligibility of foreign qualifications and the authenticity of the documentation produced by a candidate wishing to enrol at an Italian university, according to the "Procedures for entry, residency and enrolment of international students"?
- How do universities from different countries collaborate on Erasmus+ projects to enhance joint degrees development?
- Illustrare la funzione "Incolla" in Word™

14

-
- Who is exempt from the Italian language proficiency test according "Procedures for entry, residency and enrolment of international students"?
 - How do Erasmus+ projects address the needs of students with disabilities or special needs?
 - Illustrare la funzione "Taglia" in Word™

15

- What should higher education institutions take into account when evaluating study documentation of candidates holding international protection, according to the "Procedures for entry, residency and enrolment of international students"?
- How does Erasmus+ ensure the quality of its higher education projects throughout the implementation phase?
- Illustrare la funzione "Copia" in Word™

16

- What is the process for issuing study visas by diplomatic-consular missions?
- What are the three strands of the Capacity Building in higher education action and their key features?
- Illustrare la funzione "Incolla formato" in Word™

17

- What are the requirements for obtaining a study visa for university enrollment?
- How can be implemented Capacity Building in Higher Education projects according to geographical targets?
- Illustrare la funzione "Carattere" in Word™

18

- What financial means must a student demonstrate to obtain a study visa?
- What are the Capacity Building in Higher Education projects general funding rules as from the E+ programme guide 2025?
- Illustrare la funzione "Grassetto" in Word

19

- What insurance coverage is required for international students for obtaining the VISA?
- What are the three possible kinds of teaching and research projects within the Jean Monnet action? Can you briefly explain the differences?
- Illustrare la funzione "Corsivo" in Word

20

- What is the procedure for renewing a residency permit for study purposes?
- What are the two possible kinds of cooperation within the Jean Monnet Action as from the E+ Programme Guide 2025?
- Illustrare la funzione "Sottolineato" in Word™

21

-
- What are the responsibilities of higher education institutions regarding the verification of academic documents?
 - Erasmus+ KA2 Cooperation partnerships: what is the minimum number and the profile of eligible organisations?
 - Illustrare la funzione “Allinea” in Word™

22

- How do higher education institutions confirm the enrollment of international students?
- Can you identify a relevant Action in the E+ programme guide 2025 related to the enhancement of Joint degrees?
- Illustrare la funzione “Ordina e filtra” in Excel™

23

- Please describe what is meant by Pre-enrolment procedures, according to the “Procedures for entry, enrolment and residency of international students”, and define the roles of the different actors involved in the process.
- What are the Key Actions funded under Erasmus+ programme as from the programme guide 2025 and what are the main differences?
- Illustrare la funzione “Trova e sostituisci” in Word™

24

- How do the "Procedures for entry, residency and enrolment of international students" address the recognition of foreign qualifications?
- What are the key actors in the implementation of the Erasmus+ programme for higher education activities?
- Illustrare la funzione “Area di stampa” in Excel™

25

- Describe the main contents of the two attachments included in the "Procedures for entry, residency and enrolment of international students"?
- What is the Erasmus+ Project Results Platform and how can be useful in the Erasmus+ project implementation?
- Illustrare la funzione “Interruzione di pagina” in Word™

26

- How do the "Procedures for entry, residency and enrolment of international students" ensure the authenticity of foreign academic qualifications?
- What are the countries eligible to fully participate in all actions of the the Erasmus+ programme, as from the 2025 programme guide?
- Illustrare la funzione “Controllo ortografia e grammatica” in Word™

27

- What are the deadlines for pre-enrollment applications for non-EU students residing abroad?

-
- When it comes to countries not associated to the Erasmus+ programme, how is their participation to project activities organised?
 - Illustrare la combinazione di tasti di scelta rapida “Ctrl + V” in Word™

28

- What is the official platform through which non- UE candidates and Universities communicate during the pre-enrollment process? Describe its role
- How can institutions disseminate the results of Erasmus+ higher education projects to increase their visibility and impact?
- Illustrare la combinazione di tasti di scelta rapida “Ctrl + C” in Word™

29

- How do the "Procedures for entry, residency and enrolment of international students" address the issue of migration risk assessment?
- Erasmus+ Blended Intensive Programmes: what opportunities do they offer to higher education institutions?
- Illustrare la combinazione di tasti di scelta rapida “Ctrl + X” in Word™

30

- What are the specific requirements for students applying to courses with limited enrollment?
- Erasmus+ Blended Intensive Programmes: what opportunities do they offer to students?
- Illustrare la funzione “Colore carattere” in Word™

31

- How do the "Procedures for entry, residency and enrolment of international students" facilitate the integration of international students into the Italian higher education system?
- What types of projects can be funded under Erasmus+ Key Action 2, as from the Programme guide 2025?
- Illustrare la funzione “Nuovo commento” in Word™

32

- What support services are available for international students during the pre-enrollment and enrollment process?
- What are the eligibility criteria for higher education institutions within the Erasmus Mundus Action?
- Illustrare la funzione “Conteggio parole” in Word™

33

- What are the main duties of higher education institutions and diplomatic/consular missions when issuing a study VISA?
- What are the four stages of an Erasmus+ KA1 mobility project?
- Illustrare la funzione "Revisioni" in Word™

34

- What are the consequences for students who fail to meet the pre-enrollment requirements?
- What is the Erasmus charter for Higher Education (ECHE) and what are its main principles?
- Illustrare la funzione "Confronta" in Word™

35

- How do the "Procedures for entry, residency and enrolment of international students" promote transparency and fairness in the admission of international students?
- What is a mobility consortium under the Erasmus+ KA1 for higher education as from the Programme guide 2025?
- Illustrare la funzione "Intestazione" in Word™

36

- Explain why verifying the authenticity of academic documents is important.
- What are the eligibility criteria for universities willing to apply for accreditation of a mobility consortium under the Erasmus + KA1?
- Illustrare la funzione "Piè di pagina" in Word™

37

- What are the key administrative and academic requirements that students with a foreign qualification must fulfill before enrolling in an Italian university?
- What is an Erasmus+ Blended Intensive programme and what are its main features?
- Illustrare la funzione "cerca" in word

38

- What financial and health-related obligations must non-EU students with foreign qualifications meet to obtain a study visa and a residency permit for studying in Italy?
- Which target groups can be involved in mobility projects funded by the Erasmus+ KA1 and from or to which countries?
- Illustrare la funzione "Layout" in Power point

39

- How do the Italian higher education institutions verify the authenticity of foreign academic qualifications, and what official documents are required to complete the recognition process?
- What are the activities eligible in mobility projects under the Erasmus+ KA1?
- Illustrare la funzione "trova" in Power Point

40

- How do universities verify the language proficiency of international students, and are there any exemptions from language testing?
- What are the award criteria for a mobility project submitted under the Erasmus+ KA1?
- Illustrare la funzione "nascondi diapositiva" in power point

41

- How do universities assess international students' Italian language proficiency, and under what conditions can they be exempt from language testing?
- What are the eligible costs for Erasmus+ KA1 mobility projects?
- Illustrare la funzione "registra presentazione" in power point

42

- Describe UNIVERSITALY portal and its function in the pre-enrollment process
- What are the main award criteria listed in the Erasmus+ Programme Guide for KA2 project applications?
- Illustrare la funzione "nuovo commento" in power point

43

- What are the enrollment procedures for students with international protection?
- What are the two lots in which the Erasmus Mundus action is split according to the Erasmus+ Programme guide 2025?
- Illustrare la funzione "mostra commenti" in power point

44

- How do diplomatic-consular missions process study visa applications?
- What are the minimum requirements for an Erasmus Mundus Joint Master application?
- Illustrare la funzione "Animazioni" in power point

45

- What are the necessary requirements to obtain a study visa for university enrollment?
- What are the Key features of an Erasmus Mundus Joint Master program?
- Illustrare la funzione "Paragrafo" in word

46

- What financial resources must a student prove to be eligible for a study visa?
- What is the expected impact of an Erasmus Mundus Joint Master Program as from the Erasmus+ Programme Guide 2025?
- Illustrare la funzione Visualizza in word

47

- What type of insurance coverage must international students have?
- What mobility opportunities does the Erasmus+ Programme offer to Bachelor and Master students? Describe possible options, duration, benefits, etc.
- Illustrare la funzione Riferimenti in word

48

- How can international students renew their residency permit for study purposes?
- Can you define "risk management" when it comes to Erasmus+ projects design?
- Illustrare la funzione in "stampa unione" word

49

- What are the key requirements and procedures for obtaining and maintaining a residency permit for study purposes in Italy, according to the ministerial guidelines?
- How is the Erasmus Mundus Joint Master grant calculated as from Erasmus+ Programme guide 2025?
- Illustrare la funzione "Note a piè di pagina" in word

50

- Please describe what is meant by preliminary assesment, according to the "Procedures for entry, residency and enrolment of international students" , and define the roles of the main actors involved in the process.
- Which kind of degree programs can be funded through the Erasmus Mundus Action as from Erasmus+ programme guide 2025?
- Illustrare la funzione "Bordi pagina" in word

51

- What criteria do diplomatic-consular missions take into account when assessing study visa applications?
- How is the International dimension (for example: inclusion of African Universities in the programme activities) supported by possible funding opportunities in the Erasmus+ Programme Guide 2025?
- Illustrare la funzione "Controllo ortografia" in Power Point

52

- What responsibilities does the Italian Ministry of the Interior have regarding residency permits?
- What are the activities that can be funded by the Erasmus+ programme according to the Programme Guide 2025?
- Illustrare la funzione "Orientamento" in word

53

- What are the duties of higher education institutions in the pre-enrollment process?
- What is an Erasmus+ National Agency and what is its role in implementing Erasmus+ programme?
- Illustrare la funzione "Margini" in word

54

-
- What essential information must higher education institutions provide to prospective international students?
 - What is the European Education and Culture Executive Agency (EACEA) and what is its role in implementing the Erasmus+ programme?
 - Illustrare la funzione "rientro" in word

55

- What documents are generally required from applicants during the pre-enrollment process?
- What are the Erasmus+ sector-specific priorities for higher education as from the Programme guide 2025?
- Illustrare la funzione "spaziatura" in word

56

- How do higher education institutions evaluate the eligibility of foreign qualifications?
- What mobility opportunities does the Erasmus+ Programme offer to academic staff?
- Illustrare la funzione "zoom" in word
