PRE-ENROLMENT PROCEDURE

ONLINE

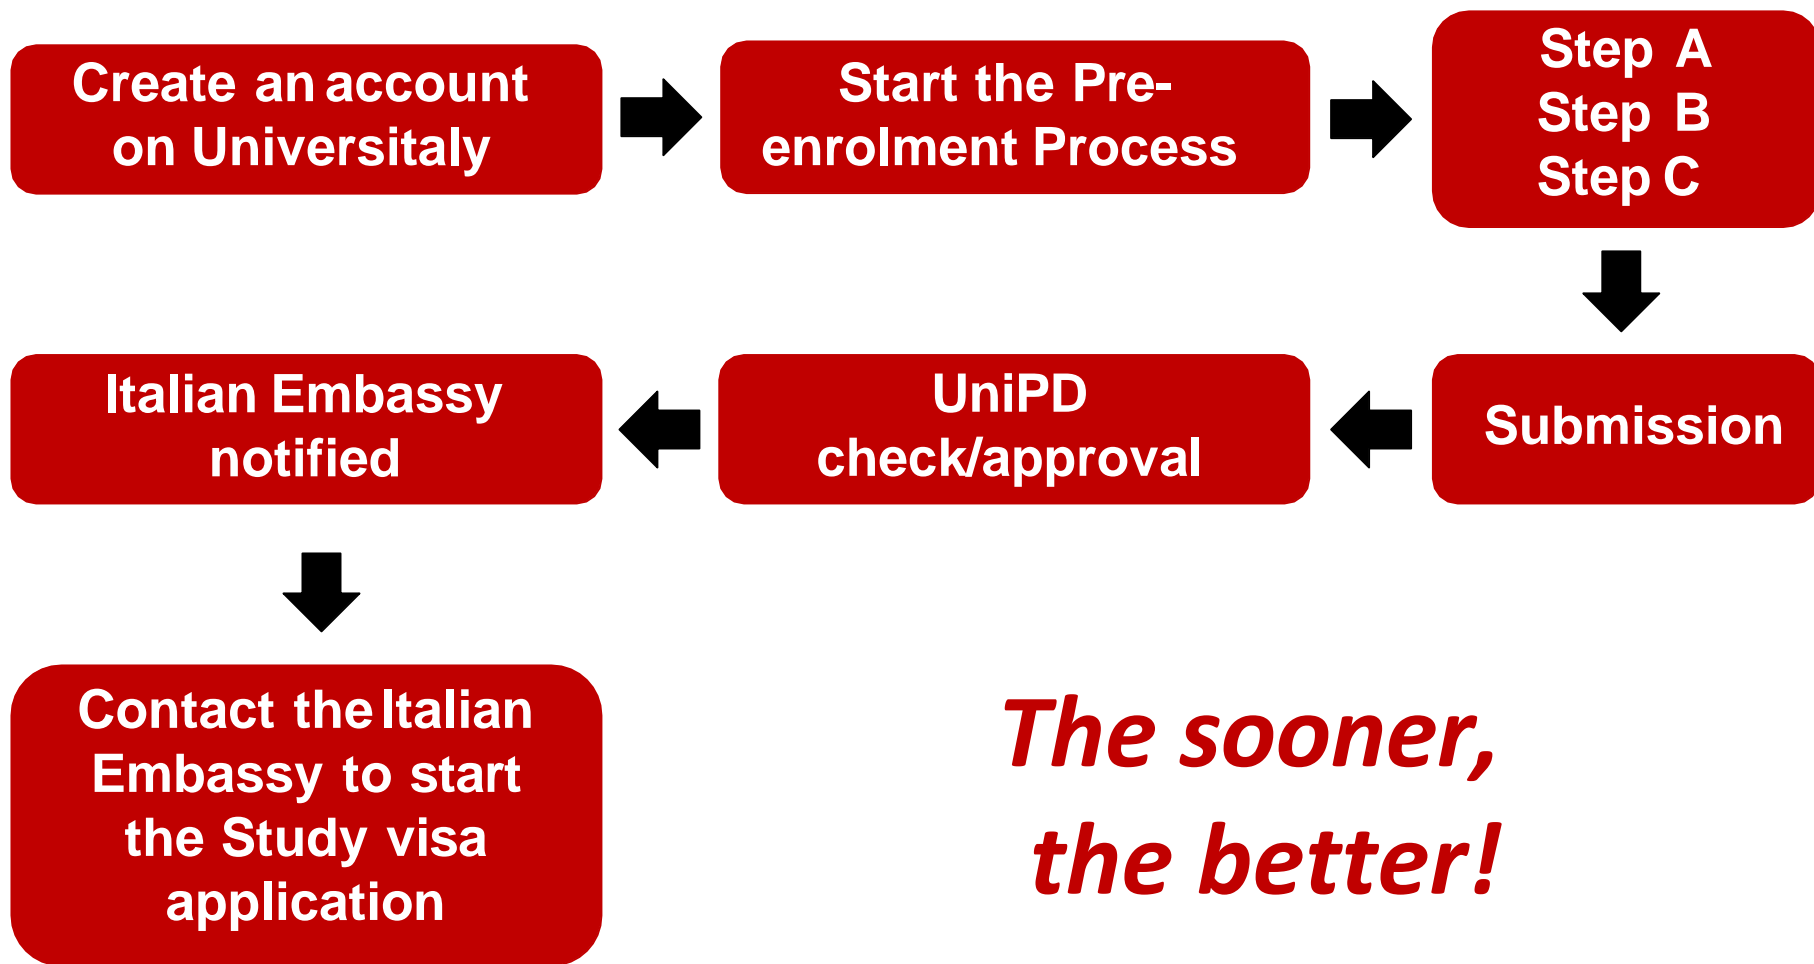

on [Universitaly](#) website

**Only the students who have successfully pre-enrolled
can apply for a study visa!**

A screenshot of the Universitaly website. At the top, there's a navigation bar with links: Start, Choose, Opportunities and Benefits, International, Living in Italy, and a language selector set to ENG. A large blue modal box is centered on the screen. It has a speech bubble icon on the left and the title "Step 6: Start your online pre-enrollment application". The text inside the modal explains that to apply for study programs in Italy, one needs to complete a "Pre-enrolment" application on the Universitaly portal after creating an online account. It also mentions that users should follow the online procedure as indicated in the application form, uploading qualifications and documents. Below the modal, a vertical flow diagram shows step 06, "Start your online pre-enrollment application", with a document icon, and step 07, "Apply for your student visa". A red "Login" button is visible on the right side of the page. A large blue arrow points from the bottom right towards the "Login" button.
