

Medical Biotechnologies Admission Test

Test date: 05/09/2025

INSTRUCTIONS FOR THOSE WHO PARTICIPATE IN THE TEST

The admission test will be held on **05/09/2025** at the UNIVERSITY LANGUAGE CENTER located in Via Venezia 16.

In order to allow the identification operations and the correct performance of all the operations, it is necessary to present oneself at the assigned classroom, unaccompanied, at **2:00 pm**.

The assignment of the classrooms was made in chronological order based on the date of birth.

The test will start in all classrooms at 2:30 pm.

People who have requested a **personalized test will have to go to the 3D Lab**.

The test will take place on the PC. Candidates will receive instructions on how to activate a Moodle account that will be necessary to take the test by 4 September at the personal email indicated during the pre-enrolment phase.

WHAT TO BRING

To participate in the test, it is necessary to bring only:• an identification document (possibly the same one with which you registered for the test) It is allowed to bring water and packaged snacks.

It is advisable to bring a backpack/bag to store personal items during the test.

The pens will be delivered on site, you do not have to bring your own pen. It is not necessary to bring the receipt of the pre-enrolment fee or other documentation.
