## LISTA PROVVISORIA IDONEI/E PER LE INTEGRAZIONI ALLA BORSA DI MOBILITÀ A.A. 2025/26

Di seguito è disponibile la tabella con la lista provvisoria delle studentesse e degli studenti idonee/i per ricevere le integrazioni alla borsa di mobilità. La lista definitiva verrà pubblicata entro gennaio 2026.

Alcune indicazioni su come leggere le colonne della tabella:

- **Idoneità per anno di iscrizione**  
Risultano idonee/i coloro che non sono iscritti oltre la durata normale del corso di studio, aumentata di un anno. Ai fini del conteggio viene considerato il primo anno di immatricolazione, indipendentemente da eventuali cambi di ordinamento, cambi di corso (senza rinuncia agli studi) o altre casistiche. Rientrano nel conteggio anche gli anni indicati in Uniweb come “ripetenti”.  
Si segnala che le informazioni visualizzate nell’area riservata di Uniweb non sono rilevanti ai fini del calcolo.
- **Idoneità per ISEE**  
Sono idonee/i coloro per cui è disponibile una scheda ISEE/ISEE Parificato, con un valore fino a 50.000 euro.
- **Fascia ISEE per anticipo**  
Indica la fascia ISEE di appartenenza del proprio ISEE/ISEE Parificato. Le fasce ISEE sono definite dal Ministero dell’Università e della Ricerca (MUR) e si basano su specifici scaglioni di reddito.  
Per verificare a quale importo corrisponde la propria fascia ISEE, consultare la tabella disponibile a [QUESTO LINK](#).
- **Idoneo/a per integrazioni?**  
Se il campo riporta “sì”, si è idonei/e sia per anno di iscrizione sia per ISEE, e quindi si riceveranno le integrazioni.  
Se il campo riporta “no”, significa che non si rientra nei requisiti (per anno di iscrizione, per ISEE o per entrambi) e quindi non si riceveranno le integrazioni.

Ricordiamo che l'anticipo delle integrazioni viene calcolato solo in base alla scheda ISEE, mentre il saldo tiene in considerazione anche il merito (definito in base alla graduatoria per la borsa di studio regionale). Per ulteriori informazioni sulle fasce, fare riferimento alla tabella pubblicata [QUESTO LINK](#).

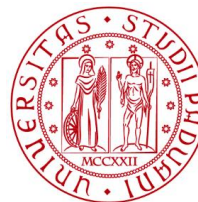

## PROVISIONAL LIST OF STUDENTS ELIGIBLE FOR ADDITIONAL FUNDING TO THE MOBILITY GRANT – 2025/2026 A.Y.

*Below is the provisional table listing the students eligible to receive additional funding to the mobility grant. The final list will be published by January 2026.*

*Some indications on how to read the table columns:*

- **Eligibility by year of enrolment**  
*Students are eligible if they are not enrolled beyond the regular duration of their course of study, increased by one year. For the calculation, the first year of enrolment is considered, regardless of any changes in the “ordinamento” (year of degree course structure), changes in degree course (without withdrawal from studies), or other cases. Years marked as “ripetenti” (repeating years) on Uniweb are also counted.*  
*Please note that the information displayed in the reserved area of Uniweb is not relevant for this calculation.*
- **Eligibility for income (ISEE)**  
*Students are eligible if an ISEE/ ISEE Parificato certificate is available, with a value up to €50,000.*
- **Advance payment according to the ISEE band**  
*This indicates the ISEE band to which the student’s ISEE/ISEE Parificato belongs.*  
*ISEE bands are defined by the Italian Ministry of University and Research (MUR) and are based on specific income ranges.*  
*To check the amount associated with your ISEE bracket, please consult the table available at [THIS LINK](#).*
- **Eligible for additional funding?**  
*If the field shows “yes”, the student is eligible both by enrolment year and by ISEE, and will therefore receive the additional funding.*  
*If the field shows “no”, it means that the requirements are not met (based on enrolment year, ISEE, or both), and therefore the additional funding will not be granted.*

*Please note that the advance payment of the additional funding is calculated exclusively on the basis of the ISEE, while the final balance also considers merit, defined on the basis of the regional scholarship ranking. For further information on the bands, please refer to the table available at [THIS LINK](#).*
