

# HP University Barcelona 2013

Join "HP University Barcelona 2013" at:  
[www.hp.es/jobs](http://www.hp.es/jobs); job number: 1136775

HP University Barcelona is a "best-in-class training" delivered to excellent fresh graduates coming from all Europe.

Through this program, you will be actively participating in different training modules (Business insight, soft skills, marketing techniques, etc), using your knowledge to real business cases from a global perspective and working directly with our printer engines and technological solutions.

This experience will give you the opportunity to gain a clear strategic vision of the printing market, while acquiring a deep knowledge of HP products & solutions at our international office located in Barcelona, Spain.

After this one-month training fully delivered in English by talented professionals, outstanding participants will get the opportunity to join HP as employees.

The program cost will be funded by HP and you will receive financial support to fund your stay in Barcelona if you don't live in the city.

We're looking for highly motivated recently graduates in Business Administration and Engineering who are fluent in English and have outstanding analytical, communication and presentation skills.
