

## International Staff Training Week at Justus Liebig University Giessen

Justus Liebig University Giessen invites its partners from International Offices around the world to JLU's annual International Staff Training Week. This week is organized and hosted by JLU's International Office and is embedded in the ERASMUS Staff Exchange Programme.

The meetings allow participants to exchange ideas about fostering student and staff mobility, to present their home universities, structures and working practices, and to explore and discuss topics of interest within the field of internationalisation.

This year's main focus will be on the implementation of Erasmus+ at the different universities. Enough time is allowed for individual meetings with colleagues of JLU's departments or other university facilities (on Friday, optional).

*Please note: We aim at a maximum number of 15 participants and can only accept one, max. two representatives of each university – depending on demand!*

*Date:* Our Staff Training takes place Monday to Thursday, July 06-10 (optional individual meetings with colleagues of JLU's departments or other university facilities on Friday).

*Application deadline:* applications are welcome until May 15.

Please register online:

*Accommodation and further information:*

*Costs:* Participation is free of charge. Participants bear the costs for individual expenses, travel and accommodation – most probably via the Erasmus Staff Exchange grant.
