opens the call for nr 4 prizes to support the students enrolled in the Master Degree in “Data Science” at the University of Padova.

1. Requirements for eligibility.

To be eligible for the prizes applicants must satisfy the following requirements:

- enrollment in the Master Degree in “Data Science” at the University of Padova for the a.a. 2017/18, or to enroll within December 15, 2017;
- european citizenship or valid “permesso di soggiorno” in Italy;
- not to have obtained fellowships for the a.a. 2017/18

2. How to apply.

The application form must be filled, signed, and a scanned copy sent to the Department of Mathematics “Tullio Levi-Civita” within December 11, 2017, by either certified email (PEC) to the address dipartimento.math@pec.unipd.it or by regular mail at the address dipmath@math.unipd.it, with the subject “*Bando di concorso per l’assegnazione dei Premi di Studio Data Science*”. The application form, as well as all documents requiring signatures, must be scanned from the original.

Acknowledgment of the receipt of the application will be sent by email.

The application form is available at the website of the Dipartimento di Matematica “Tullio-Levi Civita”, at the address: <http://www.math.unipd.it/it/ricerca/bandi-concorsi/borse-studio/>

The following documents must be included as attachment together with the application form:

- copy of a valid ID
- curriculum vitae
- transcript of records of their qualifications, preferably including ECTS statistics;
- any document which is considered useful by the candidate.

3. Ranking and publication of the results.

Prizes will be assigned by a Committee nominated by the Director of the Department of Mathematics, which will include the Director of the Department of Mathematics, or a delegate, the President of the Master Degree in Data Science, or a delegate, and at least one representative for each one of the Companies financing the prizes.

The evaluation of the candidates will be based on

- the academic record, in particular grades in the exams and in the final exam;
- any relevant aspect of the curriculum, including non-academic experiences.

The Committee will complete the selection within January 31, 2018. The four candidates selected for the prizes will be informed via an email sent to the address `nome.cognome@studenti.unipd.it`. Results will also be published in the webpages <http://www.math.unipd.it/it/ricerca/bandi-concorsi/borse-studio/> and <http://www.unipd.it/servizi/supporto-studio/borse-premi-studio/premi-studio/borse-premi-studio-studenti>
