Wash your hands

Wash your hands with soap and running water when hands are visibly dirty

If your hands are not visibly dirty, frequently clean them by using alcohol-based hand rub or soap and water
Protect yourself and others from getting sick

Wash your hands

- after coughing or sneezing
- when caring for the sick
- before, during and after you prepare food
- before eating
- after toilet use
- when hands are visibly dirty
- after handling animals or animal waste
Protect others from getting sick

When coughing and sneezing **cover mouth and nose with flexed elbow or tissue**

**Throw tissue into closed bin immediately after use**

**Clean hands** with alcohol-based hand rub or soap and water after coughing or sneezing and when caring for the sick
