INSTRUCTIONS
ADMISSION TEST
PHARMACEUTICAL
BIOENGINEERING
A.Y. 2021/22
SEPTEMBER 6 - FAIR OF PADOVA

UNIVERSITÀ DEGLI STUDI DI PADOVA
MEASURES FOR THE CONTAINMENT OF COVID-19

The admission test will be on September 6 at the Fair of Padua establishment.

In implementation of the national regulations for the prevention of the spread of COVID-19 candidates are obliged to comply strictly with the following instructions:

- Show up at the entrance of the Pavilion 4, access through Goldoni road, gate B, at 1.45 p.m., the test will start at 3 p.m.
- Show up without companions: only candidates regularly enrolled to the test will be admitted to the location.
- Always wear a FFP2 face mask, other kind of masks are not allowed.
- Sanitize your hands when entering the establishment and when asked by the invigilators.
- Show up the day of the test with:
  - Valid ID;
  - EU Digital Covid Certificate (more info here https://www.dgc.gov.it/web/);
  - Self-Declaration form stating your health status (annex 3, you’ll need to print it, fill it in and then sign it);
- Always listen and respect the indications of the invigilators.

Candidates must not show up if affected by one or more of the following symptoms:

- temperature above 37.5°C and chills;
- respiratory difficulty of recent onset; sudden loss of sense of smell (anosmia) or diminished sense of smell (hyposmia), loss of taste (ageusia) or taste alteration (dysgeusia);
- sore throat, cough, cold, chills, diarrhea, conjunctivitis, headache or other flu-like symptoms.
- if subjected to quarantine or home isolation as a measure to prevent the spread of COVID-19 infection.

To facilitate the access to the location of the test, you will find in this file a Map of the Fair, with the pavilions. (Annex 2).
Mind that if you do a **molecular or antigen Covid Test** in a public or private structure in the 48 hours previous the day of the test, you will need to present the EU Digital Covid Certificate [https://www.dgc.gov.it/web/](https://www.dgc.gov.it/web/).

Please remind that you can download the certificate only 15 days after the first shot of the vaccine, otherwise you’ll need to obtain the EU Digital Covid Certificate through a molecular or antigen Covid Test done 48 hours prior the date of the admission test.

**CANDIDATES WITHOUT EU DIGITAL COVID CERTIFICATE** (THE SO CALLED GREEN PASS OR GREEN CERTIFICATE) WILL NOT BE ADMITTED TO THE TEST!
ANNEX 2: MAPS AND ENTRY POINTS TO THE FAIR
ANNEX 3: SELF-DECLARATION FORM COVID-19

DECLARATION MADE IN ACCORDANCE WITH ARTICLES 46 AND 47 PRESIDENTIAL DECREE DPR N.445 / 2000

ISSUED ON THE OCCASION OF PARTICIPATION IN THE PUBLIC SELECTIVE TEST

of 6 September 2021

for admission to degree courses taught in English in: Pharmaceutical Biotechnologies

The undersigned ............................................

born in ..........................................................

on ..............................................................

resident in................................................. Country...................................................

Identity document number............................. Issued from..................................................

on ..............................................................

aware of the administrative consequences of forfeiture of the benefits obtained by the declarant (Article 75 of Presidential Decree 445/2000) and of the criminal consequences provided for by law (Article 76 of Presidential Decree 445/2000, Article 495 of the Criminal Code and Article 483 of the Criminal Code) if they have made false statements, pursuant to art. 46 and 47 of the Presidential Decree n. 445/2000,

DECLARER UNDER THEIR OWN RESPONSIBILITY,

☐ as a candidate; ☐ as staff.

☐ to have read the safety and health protection measures in the dedicated section of the institutional website of the universities and to adopt, during the competition test, all the containment measures necessary to prevent the contagion from COVID-19.

☐ not to be subjected to the measure of quarantine or trustee home isolation and / or the prohibition of removal from one's home / home provided as measures to prevent the spread of the COVID-19 contagion pursuant to current legislation.

☐ not having or having had symptoms (e.g., fever, sore throat, cold, nausea, chills, headache, cough, diarrhea, vomiting) attributable to COVID-19 in the previous 14 days.

☐ to have been symptomatic positive for COVID-19 and to have observed an isolation period of at least 10 days from the onset of symptoms (not considering anosmia and ageusia / dysgeusia - loss or alteration of taste and smell - which may have prolonged persistence over time) accompanied by a molecular test with negative result, performed after at least 3 days without symptoms.

☐ to have been asymptomatic positive for COVID-19 and to have observed an isolation period of at least 10 days from the onset of positivity, at the end of which a molecular test is performed with a negative result.

In the case of close contact with COVID-19 positive people:
☐ to have observed a mandatory quarantine period of 14 days from the last exposure to the case.

☐ to have observed a quarantine period of 10 days from the last exposure with a negative antigen or molecular test, carried out on the tenth day.

☐ to have not been in contact with Covid-19 positive people, to the best of their knowledge, in the last 14 days.

☐ to have read and observed the indications contained in the Ordinance of the 29 July 2021 of the Public Minister of Health, regarding the information for travelers, published online at the link

The candidate also declares:

☐ to have performed a rapid antigen or molecular test, carried out by means of a gold / rhino-pharyngeal swab at an accredited / authorized public or private facility, on a date not earlier than 48 hours from today's date, for which the green certification is hereby produced.

Or

☐ to have the green certification hereby produced.

This self-declaration is provided as a preventive measure related to the pandemic emergency of COVID-19. It, together with the attachments exhibited (report of the rapid antigen or molecular test or certificate of vaccination course, certificate of recovery from Covid), is an indispensable condition for participation in this public exam.

Place of the test, 6 September 2021
