1. GENERAL INFORMATION

Prospective students can now apply for admission to the first year of the Master’s degrees with unlimited places and admission requirements at the Scuola di Scienze for academic year 2023/24. Courses normally run for 2 years and a Master’s degree is awarded at the end of the chosen Course of study.

Information on ongoing teaching and course Regulations can be found at https://didattica.unipd.it/off/2023/LM/SC, by selecting the Course of interest.

### 1.2 Admission requirements

To be admitted, candidates must:

1. have obtained a Bachelor’s degree, a Single-cycle Master’s degree, a three-year university diploma or another qualification obtained in Italy and recognised as suitable under current legislation, **by 31 October 2023** or during the year, **by 31 December 2023**;

---

2 From now on, terms relating to people are in the masculine form, for the sole purpose of ensuring better readability of the text, but refer indiscriminately to all genders.
2. be in possession of the specific minimum curricular requirements and knowledge, competences and abilities, as indicated in the data sheets attached to this notice for each course. Prospective students are advised to read their full description in the Syllabus of the chosen Course, available in Art. 2, paragraph 1, of the relevant Course Regulations. Full descriptions of the Courses and the relevant Course Regulations can be found at https://didattica.unipd.it/, by selecting the Course you are interested in.

3. pre-enrol by the indicated deadlines (point 2);

4. submit an application for the assessment of the minimum curricular requirements by the indicated deadlines (point 3).

5. enrol, submit an application for a change of course or incoming transfer from 18 July (or from the date that the minimum number of pre-enrolments is reached, if later) by 12:00 noon on 31 October 2023 (point 4.1).

An additional enrolment period is provided for during the year, from 12:00 noon on 31 October 2023 until 12:00 noon on 31 January 2023 (point 4.2).

1.3 Registering for part-time
Prospective students can apply to register on a part-time basis due to family, work or health reasons, for all the courses included in this notice except for the course in Innovazione e Servizio Sociale. Further information is available at www.unipd.it/en/studying-padova/funding-and-fees.

1.4 Inclusion and disability
Students with disabilities or specific learning disorders (SLDs) can contact the Student Services Office – Inclusion Department (inclusione.studenti@unipd.it) to report any need for information on course attendance support services and financial subsidies (www.unipd.it/en/resources-and-supports-students-disability-or-learning-disabilities).

2. REGISTRATION AND PRE-ENROLMENT ON THE UNIWEB PORTAL
2.1 Registration on the Uniweb portal
If you are logging into Uniweb for the first time, you must create a new user account at www.uniweb.unipd.it by clicking Menu ➔ Registration.
At the end of the registration process, you will receive an email with your username and activation code to log in to uniweb.unipd.it/password/index.php/it/utenti/identifica/azione/a, where you will be asked to set up three security questions and a password. With your username obtained and password set, you can log in to your private area.
Students can also register with the www.uniweb.unipd.it portal using SPID credentials by clicking on Menu ➔ Registration with SPID.
In the event of problems with logging in, contact the University Call Centre (www.unipd.it/callcentre).

**N.B.:** The personal email address included in your Uniweb profile is the communication channel via which any deadlines and instructions for accessing the course are provided. Emails sent for this purpose count as an official communication.

### 2.2 Submitting an application for pre-enrolment

To pre-enrol, you must:

1. log in with your credentials at [www.uniweb.unipd.it](http://www.uniweb.unipd.it) (point 2.2), click on Home ➔ Pre-enrolment for limited/unlimited access degree programmes ➔ Type of degree programme ‘Second-cycle degree’ and indicate the course you are interested in (point 1.1).

2. enter the degree qualification to be used as your admission requirement to the course, if not already on the system.

   Students enrolled at the University of Padua who are about to graduate can only complete the pre-enrolment after submitting their application for the degree award online.

3. at the same time, pay the pre-enrolment fee of 30.00 euro via the PagoPA procedure (instructions on [www.unipd.it/pago-pa](http://www.unipd.it/pago-pa)).

Prospective students can apply for pre-enrolment **on one or more courses** among those indicated in this notice For each pre-enrolment, to be submitted by the deadlines indicated in point 2.3, you need to follow the instructions in the three indicated points and submit the application for the curricular requirements to be assessed (point 3). Ultimately, candidates can enrol **on one course only**.

**Contacts and assistance:** [www.unipd.it/immatricolazioni](http://www.unipd.it/immatricolazioni) and [www.unipd.it/callcentre](http://www.unipd.it/callcentre)

#### 2.2.1 Deadlines – candidates graduating by 31 October 2023

To be able to submit the application for enrolment, change of course, or incoming transfer by 31 October 2023 for all the courses in this call (point 4.1), the application for pre-enrolment must be completed online, through the Uniweb portal, as set out in point 2.2

**from 11 July at 15:00 until 29 September 2023 at 12:00 noon**

#### 2.2.2 Deadlines – Pre-enrolment during the year

To be able to submit the application for enrolment during the year by 31 January 2024 (point 4.2), there will be an additional time window for pre-enrolment online (point 2.2):

**from 31 October 2023 at 12:00 noon until 22 January 2024 at 12:00 noon**
This additional time window for pre-enrolment is not available for courses in:
- Marine Biology
- Molecular Biology

Students, therefore, who graduate between 31 October 2023 and 31 December 2023 and who wish to enrol in the courses indicated must submit their application for pre-enrolment in the first time window.

N.B.: candidates who use this time window for pre-enrolment will only be able to gain entry to the courses through standard enrolment (course change and incoming transfer procedures will only be available until 31 October 2023, 12:00 noon).

3. ASSESSING THE MINIMUM CURRICULAR REQUIREMENTS
To be admitted to your chosen course, you need to be in possession of the specific minimum curricular requirements and knowledge, competencies, and abilities, verified as set out for each course (appendix 1).

Anyone intending to apply for entry to more than one course must submit an application for the assessment of the minimum curricular requirements (in addition to the related pre-enrolment) for each course of interest.

3.1 Procedure and deadlines – candidates graduating by 31 October 2023
In order to be able to take advantage of the first window for enrolment (point 4.1), applications for the assessment of the minimum curricular requirements must be submitted and confirmed:

from 11 July at 15:00 until 31 October 2023 at 12:00 noon

Instructions on how to apply for the minimum curricular requirements online and any special cases are available at the following link: www.unipd.it/node/87721.

To access the portal and submit your application, you must have completed your pre-enrolment in the first available time window, by 29 September 2023 (point 2).

Suitability for enrolment can only be attributed after registering the entry qualification details (grade and date of attainment) Registration will take place automatically for graduates who obtain an entry qualification from the University of Padua; graduates from other universities will instead have to update their degree details in the Uniweb personal area in the Educational Offer → Qualifications section.
3.2 Procedure and deadlines – Assessment of the minimum curricular requirements during the year

To be able to submit the application for enrolment during the year by 31 January 2023 (point 4.2), there will be an additional time window for submitting and confirming the application for the assessment of the minimum curricular requirements:

from 31 October 2023 at 12:00 noon until 22 January 2024 at 12:00 noon

Instructions on how to apply for the minimum curricular requirements online and any special cases show at the following link: [www.unipd.it/node/87721](http://www.unipd.it/node/87721).

To access the portal and submit your application, you must have completed your pre-enrolment in one of the two available time windows (point 2).

N.B.: the course change and incoming transfer procedures are not available for candidates submitting their application for the assessment of the minimum curricular requirements using this time window.

Suitability for enrolment can only be attributed after registering the entry qualification details (grade and date of attainment) Registration will take place automatically for graduates who obtain an entry qualification from the University of Padua; graduates from other universities will instead have to update their degree details in the Uniweb personal area in the Educational Offer → Qualifications section.

4. ENROLMENT, CHANGE OF COURSE, TRANSFER FROM ANOTHER UNIVERSITY

4.1 Procedure and deadlines – candidates graduating by 31 October 2023

To enrol, change course, or transfer from another University for all the courses in this call, candidates must:

- have submitted an application for pre-enrolment (point 2) by 29 September 2023;
- have checked the registration of the entry qualification details in the Uniweb personal area. Registration will take place automatically for graduates from the University of Padua; graduates from other universities will instead have to update their degree details in the Uniweb personal area in the Educational Offer → Qualifications section;
- have submitted an application for the assessment of the minimum curricular requirements by 31 October 2023 (point 3) and have obtained the outcome “eligible” (visible within pre-enrolment in each user’s personal area in Uniweb).

Applications for enrolment or transfer from another university must be submitted from 11 July at 15:00 until 31 October 2023 at 12:00 noon

Applications for changing course must be submitted:

from 1 September at 15:00 until 31 October 2023 at 12:00 noon

Course registration procedures in the different cases (including the main ones: standard enrolment, course change, and transfer from another university) can be found in the following document: www.unipd.it/node/85793

N.B.: failing to comply with the deadlines and terms of the set out procedures and concurrently pay the first instalment will constitute a waiver of the entry to the chosen Master’s Degree Programme.

All course registration procedures will be effective only after completion by the Student Office - Enrolment and Admission Testing Unit; notification of the operation will be given via email sent to the student’s email address registered on the Uniweb portal.

Contacts and assistance: www.unipd.it/immatricolazioni and www.unipd.it/callcentre

4.2 Procedure and deadlines – enrolment during the year

In order to enrol, candidates must:

- have submitted an application for pre-enrolment (point 2) by 29 September 2023 OR in the additional pre-enrolment period by 22 January 2024;
have checked the registration of the entry qualification details in the Uniweb personal area. Registration will take place automatically for graduates from the University of Padua; graduates from other universities will instead have to update their degree details in the Uniweb personal area in the Educational Offer → Qualifications section. The qualification must be awarded by 31 December 2023; have submitted an application for the assessment of the minimum curricular requirements by 22 January 2024 (point 3) and have obtained the outcome “eligible” (visible within pre-enrolment in each user's personal area in Uniweb).

In the enrolment period during the year, candidates can only submit an application for enrolment (they cannot submit applications to change course or transfer from another university):

from 31 October 2023 at 12:00 noon until 19 February 2024 at 12:00 noon

The procedure for submitting applications for enrolment can be found at the following document: www.unipd.it/node/85793.

N.B.: failing to comply with the deadlines and terms of the set out procedures and concurrently pay the first instalment will constitute a waiver of the entry to the chosen Master’s Degree Programme.

All course registration procedures will be effective only after completion by the Student Office - Enrolment and Admission Testing Unit; notification of the operation will be given via email sent to the student’s email address registered on the Uniweb portal.

Contacts and assistance: www.unipd.it/immatricolazioni and www.unipd.it/callcentre

4.3 Fees and benefits

In case of new enrolment, the first instalment of the university fee, for the academic year 2023/2024, is 200.00 euro (of which 184.00 euro is the regional tax for the right to education at university and 16.00 euro is the stamp duty). Students with a disability between 66% and 100% or with a certificate pursuant to Italian Law no. 104 (Article 3, paragraph 1) are entitled to a total exemption, which only requires payment of the stamp duty of 16.00 euro.

Information about instalments, payments, and scholarships: www.unipd.it/contribuzione-benefici

Contacts
benefici.studenti@unipd.it

3 The amount may vary according to regional provisions.
6. RECOGNITION OF CREDITS TO SHORTEN THE UNIVERSITY CAREER

Candidates may apply to have the activities and exams they have obtained (including those obtained abroad) - such as single course units or previous university careers - recognised so as not to have to repeat them during their course of study.

However, in order to access the course by means of career shortening, it is necessary to fulfil the requirements and complete all the procedures (including methods and deadlines) as set out in point 1.2 of this call.

The application for credit recognition is an additional request that must be submitted at the same time as the procedure for assessing the minimum curricular requirements, in the appropriate section within the same portal, and by the same deadlines (indicated in point 3).

The university educational credits necessary to achieve the minimum curricular requirements, or those included in the qualification used for admission to the course, will not be considered to shorten the university career.

The appointed teaching committee will issue a credit recognition resolution containing the list of recognised educational activities/credits and the proposed year of admission. After having obtained suitability as regards curricular requirements, candidates can proceed with enrolment, course changes, or incoming transfers to the course first year as set out in point 4, even if they do not yet have the credit recognition resolution.

Validation/recognition and any updates during the course year (for those who will obtain the proposed admission to the second year in their credit recognition resolution) will be added to the online student record book by the relevant Back Office by the first exam session scheduled for the academic year 2023/24, without the need for further procedures or requests.

Contacts and assistance
- for assistance in using the portal for credit recognition applications
- for information about examinations/activities that can be recognised
- for information about the time and publication status of the resolution

6. PERSON RESPONSIBLE FOR THE PROCEDURE, PERSONAL DATA, NOTES AND WARNINGS

1. Pursuant to Article 4 of Italian Law 241 of 7 August 1990 (New rules on administrative procedures and right of access to administrative documents) and subsequent amendments, the Programme Coordinator or the Assessment Committee shall be appointed as the person/body responsible for the administrative procedure on admissions.

2. Person Responsible for the Procedure for Accessing Documents: Director of the Student Office, Ms Maria Chiara Ferraresi.

3. Current legislation on statements: if the documentation submitted by the candidate contains false or untrue statements, without prejudice to the penalties provided for by the Italian Criminal Code and the special laws on the matter (Articles 75 and 76 of Presidential Decree No. 445/2000), the candidate’s enrolment shall automatically cease. The University will recover any benefits granted (e.g. scholarships) and will not reimburse for the fees paid. Finally, whoever makes a false statement will be liable to an action for damages by the interested parties.

4. Personal data processing: personal data provided by candidates, collected for the purposes set out in this Call, shall be processed in compliance with the provisions of Regulation (EU) 679 of 27.04.2016 (the General Data Protection Regulation, GDPR), and the policy available at www.unipd.it/informativa-studenti.

5. Simultaneous registration: information can be found on page www.unipd.it/avvisi-ammissione-corsi.

Further general information on the current rules and regulations for admission can be found at www.unipd.it/avvisi-ammissione-corsi.

Any changes or additions to the content of this Call for admission will be:
- published in the official register of the University;
- announced on the University’s web pages, at www.unipd.it/avvisi-ammissione-corsi

For anything not specified in this Call for admission, reference should be made to current legislation.

EARTH DYNAMICS – study track held in English of the Master’s degree “Geologia ambientale e dinamica della terra”
CHIMICA
Curricula: Chimica ● Chemistry*

* international curriculum, entry to which is through a specific selection procedure. More information about the international programmes of the Scuola di Scienze and the relevant selection procedures are available at www.scienze.unipd.it/percorsi_internazionali

To gain entry to the course, you need to meet the requirements described in each of the following 3 points:

1. Grade of Degree used for entry to the course:

   Higher than or equal to 85/110 or equivalent

2. Previous course of study:

   Alternative 1: possession of a degree in Chimica attained at the University of Padua

   Or

   Alternative 2: possession of a degree awarded in any Italian university belonging to any class and possession of at least 50 CFUs, divided into the following University Scientific Areas (SSDs) and respecting the following minimums:

   - At least 8 CFUs CHIM/01
   - At least 14 CFUs CHIM/02
   - At least 14 CFUs CHIM/03
   - At least 14 CFUs CHIM/06

For candidates in possession of an Italian qualification under a legal system other than those governed by the DM (Italian Ministerial Decree) 509/99 or DM 270/04, the curricular requirements will be assessed by the Admissions Committee.

For candidates with a high level of preparation, resulting from knowledge and skills certified in the curriculum, coming from educational backgrounds that are not perfectly consistent with the specified requirements, a different entry path and/or specific entry tests can be arranged.

3. Language skills:

   English – Listening and reading comprehension

   Level B2 or higher

   The University Linguistic Centre (CLA) organises a B2 reading and listening comprehension test in English for Unipd graduates or graduates from other universities, who do not hold a valid ENGLISH B2 certification or who are not included in the cases detailed at www.scienze.unipd.it/requisiti-inglese-lm/, where all the information is available.

SUSTAINABLE CHEMISTRY AND TECHNOLOGIES FOR CIRCULAR ECONOMY

Curricula: • Resources and product design and recycling • Energy conversion and storage

To gain entry to the course, you need to meet the requirements described in each of the following 4 points:

1. Curricular skills - assessed through an analysis of the curriculum or syllabuses relating to each subject:

- basic skills in organic, inorganic and physical chemistry;
- knowledge of synthesis processes and chemical and physical analytical techniques of the components of the different states of matter;
- skills in mathematics related to the knowledge of algebra and geometry;
- skills in classical physics and electromagnetic field physics;
- basic knowledge of fluid thermodynamics and transport phenomena;
