

Decreto Rep. Prot. n.
Year 2024 Tit. Il Cl. 20 Fasc.

**Subject: Calling of elections for student representatives to the International Student Council -
Academic biennium 2024 – 2026.**

THE RECTOR

Whereas the Academic Senate established a new body called the “International Student Council” to represent international students at the University of Padova with Resolution no. 135 of 11 December 2017, in accordance with the provisions of Article 12 of the University’s General Regulations;

Having considered the University of Padova’s
Statute; **Having considered** the University of
Padova’s General Regulations;

It being established that “International Student”, as governed by the combined provisions of Academic Senate Resolutions no. 125 of 7 November 2017 and no. 135 of 11 December 2017, means any student regularly enrolled in a First-cycle/Bachelor’s degree course or a Second-cycle/Master’s degree course, including single-cycle courses, or in a School of Specialisation or PhD school, who holds non-Italian citizenship or at least one foreign citizenship, as well as a foreign qualification that entitles them to enrol at an Italian university;

Considering that the Academic Senate, as per Resolution Rep. no. 102 of 19 November 2018, having consulted the International Student Council, gave a mandate to the Rector to establish and draw up the Regions for the subsequent academic biennium in proportion to the number of University students from each Region in order to ensure that the electorate was more widely represented;

Considering that with the minutes dated 14 February 2020, the International Student Council approved the distribution of the 12 seats among the six Regions according to a formula that establishes a quota calculated by dividing the number of the University’s international students by the number of electoral seats and allocating to each Region a number of seats equal to the ratio between the University’s international students and said quota, allocating the remaining seats on the basis of the largest remainders method;

It being deemed opportune to use the same electoral criteria as those agreed and used for previous elections in 2020-2022, 2022-2024;

Considering that Academic Senate Resolution no. 135/2017 states that candidates shall be elected on the basis of an equal opportunities policy in the event of a tie. Should this policy not produce a winner, the youngest candidate shall be elected;

Having considered the opinion of the Student Council no. 1/2017, put forward on 16 November 2017, which deemed it appropriate not to present a list of signatures approving the candidatures in view of the limited number of students involved;

Taking due note that the proposing body has ascertained the conformity of this measure with the legislation in force and with the University's Regulations;

HEREBY DECLARES

1. that elections for student representatives to the **International Student Council** are to be called for the academic biennium 2024-2026, and will take place electronically:

FROM 9.00 am ON TUESDAY 3 DECEMBER 2024

TO 5.00 PM ON WEDNESDAY 4 DECEMBER 2024

2. that the number of seats allocated to each of the Regions, as established below, is decided on the basis of the ratio between the number of students from each Region and the quota calculated by dividing the total number of international students enrolled at the University of Padova by the 12 seats on the International Student Council.

Any seats unallocated on the basis of this calculation shall be distributed among the Regions via the largest remainders method;
