### WHAT IS THE ISEE PARIFICATO

The ISEE is an official certificate which indicates your financial standing in any given year on the basis of family status, earnings, property and expenses. You will need to provide information and documentation regarding you and your family’s annual income and assets.

The ISEE Parificato (i.e. equivalent ISEE) is calculated for international students:
- residing abroad, and whose family resides abroad
- residing in Italy, whose income is less than € 9,000.00 and whose family resides abroad
- or Italian students residing abroad, whether they are registered or not in the “Anagrafe Italiani Residenti all’Estero - AIRE” (Registry of Italians Residing Abroad)

### WHICH INCOME AND ASSETS

The ISEE issued during a given calendar year is valid until 31 December of the same year and refers to income and assets of the two previous years.
Example: the ISEE certificate issued during 2023 expires on 31 December 2023 and refers to income and assets of the calendar year 2021.

### HOW TO APPLY FOR IT

The ISEE Parificato must be issued by the University’s partner CAF exclusively (the service is free of charge):
CAF CIA PADOVA - E-mail: caf-iseeenipd@ciapadova.it

The documents useful for the release of the ISEE Parificato, listed on the attach 1 of this guide, must be uploaded on the portal of the CAF, available at the following link: [https://unipd.01s.it](https://unipd.01s.it) (those who were not registered, should select “Not a member yet,” fill in the form with the required data and wait to receive the confirmation email before logging in).

**other ways of document delivery are not accepted**

### ESSENTIAL FEATURES OF THE DOCUMENTS

Please be aware that you might need several months to collect the documents required to obtain the ISEE Parificato, have them translated and legalised, etc. We therefore strongly recommend to start the process as soon as possible.

Documents must be **issued by the competent authorities of the country where the income/assets is generated/owned**; income and assets must be indicated in local currency (i.e. of the country where they are generated/owned).
Documents must be **translated into Italian** by a legally recognised translator and **legalised** by the Italian diplomatic authorities (Embassy or Consulate) competent for the territory in the country of origin, according the regulation listed on the attach 2 of this guide.

**Please note:** only in special cases of difficulty in issuing them, it is possible to request the documentation from foreign diplomatic or consular representations in Italy and have it legalised by the Prefecture.

### HOW THE PROCEDURE WORKS

Once you uploaded all the documents, the CAF will check them and, if they are complete and correct, you will receive the ISEE certificate by email (you can also download it on the CAF portal).
**Remember that the CAF will send the ISEE value to the University only if you fill in the Application for benefits in your Uniweb.**

If your file needs others documents, you will receive an email from the CAF with what is missing or wrong. 
**Remember that you need to upload all the corrected documents by the deadline of the benefit you want to apply for (the date of the ISEE issue will be that of the last compliant document uploaded to the portal).**
# HOW TO FILL IN THE APPLICATION FOR BENEFITS IN UNIWEB

## WHAT IS THE APPLICATION FOR BENEFITS FOR

By confirming the Application for benefits on Uniweb, you authorise the University to acquire your ISEE from the CAF and you can apply for the economic benefits listed above.

## WHO CAN APPLY

The application can be filled in even by students who are not enrolled at the University yet, as they can register on Uniweb by using their Tax Identification Number. International students who already received their admission letter through the application portal (apply.unipd.it) do NOT need to register on Uniweb as they will receive a token to activate their Uniweb account in time for applying for the benefits presented in this guide.

**HOW THE PROCEDURE WORKS**

The ISEE certificate is acquired automatically as soon as the CAF issues it.

Once the Application for benefits has been confirmed, the system queries the CAF database on a weekly basis in search of an ISEE certificate in the student’s name.

You must not send or deliver the ISEE certificate to the office.

You will receive an email to your personal or university email address (if active) confirming the acquisition of ISEE data. You can verify at any time whether the ISEE certificate data have been acquired:
- by returning to the “Application for benefits”
- clicking on “Compile”, and on “Print the submitted application”

Until the ISEE is acquired, the printout of the request will include the words "pending transmission of data by INPS (or CAF)" and a household conventionally equal to 1.

**ADDITIONAL REQUESTS**

Confirmed the application, you may also receive emails asking you to supplement some data.

In this case, by the deadline stated in the email:
- return to the “Application for benefits” again
- click on Proceed, then on Edit the Application for benefits
- fill in the additional required parts
- click on Proceed at the bottom of the page, and on Confirm the Application for benefits on the next page.

Until the required additional information is provided, the relevant reductions will not be applied and the benefits for which you submitted the Application for benefits will not be granted.

**STATUS INFORMATION (REGIONAL SCHOLARSHIP)**

Confirmed the application, you can log back in and view some information regarding your declared status for the regional scholarship:
- return to the “Application for benefits”
- click on Proceed, then on Edit the Application for benefits
- at the bottom of the box on the scholarship, the status calculated based on what you have declared appears.

Ongoing status calculation: appears if you also have to complete the Rent contract verification procedure (any additional requests to this procedure appear on this screen).

**WHAT TO DO IN CASE OF ISEE NOT REGISTERED ON UNIWEB**

If the ISEE is not automatically acquired by the system within 8 days from the confirmation of the Uniweb Application for benefits, please make the following checks:
- check that you have correctly filled out the application on Uniweb and that you have received the confirmation email
- check on the portal of the CAF if your ISEE certificate has been issued.

**IN CASE OF REPORTS**

Once the application has been entered and confirmed, it can be modified by the student at any time by:
- 15 days from the publication of the provisional list, for the section regarding the regional scholarship;
- 30/11/2023 for the section relating to the ISEE and the other fee waivers;
