7TH EDITION

PHD EDUCATIONAL WEEK
FOCUS ON ENTREPRENEURSHIP AND CAREER DEVELOPMENT
STRATEGIC COMPETENCES FOR YOUNG RESEARCHERS

GENERAL LEARNING GOAL

Soft Skills are nowadays of utter importance at any company and are object of analysis in recruiting and selection process of young people. They are necessary to manage and deal with different aspects of work. Thus, the PhD Educational week offers Unipd PhD students training activities aimed at strengthening the skills in managing, research planning, communication, and dissertation strategy.
