

PhD Program of National Interest in Technologies for fundamental research in Physics and Astrophysics, SCHEDULE OF INTERVIEWS

Dear applicant,

we are delighted to invite you for an interview for a PhD fellowship in Technologies for fundamental research in Physics and Astrophysics.

See the agenda for the interviews **below**. All candidates are divided into groups. The interviews will be held on Zoom.

Zoom:

<https://unipd.zoom.us/j/88147995087>

Meeting ID: 881 4799 5087

Passcode: 364206

Connect to the zoom link for the registration at the time indicated for each group; the session interviews order and times will be assigned in such occasion. You must show your ID during at the registration time and at the beginning of your interview, for formal identification (the same ID used for the application).

Zoom tutorial:
