### 1.3 Criteria for drawing up the admission rankings

The admission rankings are determined in order of score on the basis of the following criteria:

- candidates in possession of a degree belonging to classes L-19, L-20, L-24, L-36, L-40 (DM 270/2004), obtained by the close of pre-enrolment for access to the selection: the degree grade is taken into consideration;
- candidates in possession of a degree belonging to classes L-19, L-20, L-24, L-36, L-40 (DM 270/2004), obtained after the closing of pre-enrolment for access to the selection: the arithmetic average of the exams in the degree being obtained, taken and recorded by the close of pre-enrolment, is taken into consideration;
- candidates in possession of a degree belonging to classes other than those referred to in the previous point: the arithmetic average of the exams in the SSDs referred to in the previous point, taken and recorded by the closing date of pre-enrolment, is taken into consideration. In the event of possession of a number of useful credits greater than 24, for the purposes of the calculation, the exams with the highest grade up to the established limit are taken into consideration.

Only the credits indicated in the academic documentation sent during the pre-enrolment phase and assessment of curricular requirements are considered.

The final ranking is drawn up in order of score on a basis of 100 by normalizing the degree grades and arithmetic averages as described for the three cases proposed.

In the event of a tie, priority is given to the youngest candidate.

For candidates with a qualification obtained abroad with training courses that cannot be assessed according to the criteria indicated above, the verification of the required knowledge will be carried out by the commission on the basis of the candidate's educational path in line with curricular requirements and the personal preparation required for access to the course.

**Please note:** failure to obtain the degree and its update on the Uniweb portal by 30 September 2025 will result in the forfeiture of the admission ranking.
