

Pharmaceutical Biotechnologies Admission Test

Test date: 05/09/2025

INSTRUCTIONS FOR THOSE WHO PARTICIPATE IN THE TEST

The admission test will be held on **05/09/2025** at the PIOVEGO EDUCATIONAL COMPLEX located in Via Ugo Bassi 2.

In order to allow the identification operations and the correct performance of all the operations, it is necessary to present oneself at the assigned classroom, unaccompanied, at **08:30**.

The assignment of the classrooms was made in chronological order based on the date of birth.

The test will start in all classrooms at 09:30, the identification operations end about 30 minutes before the start of the test. The delivery of the papers may last up to a maximum of 40 minutes after the end of the test. It will not be possible to leave the classroom, for any reason, before the end of the delivery operations.

People who have requested a personalized test will receive an e-mail communication from the Inclusion Sector (inclusionone.studenti@unipd.it) to the e-mail address indicated within Uniweb. The communication will contain information about the dedicated classroom to go to and the time of convocation.

WHAT TO BRING

To participate in the test, it is necessary to bring only:• an identification document (possibly the same one with which you registered for the test) It is allowed to bring water and packaged snacks.

It is advisable to bring a backpack/bag to store personal items during the test. The pens will be delivered on site, you do not have to bring your own pen. It is not necessary to bring the receipt of the pre-enrolment fee or other documentation.
