2.3 Procedure: registration on the Uniweb portal and pre-enrolment application

Only if you access Uniweb for the first time is it necessary to create a new account; otherwise you can move on to the next point, "2. Pre-enrolment application".

1. **Registration on the Uniweb portal**

To create a new account, you need to access the page www.uniweb.unipd.it and click *Menu > Registration*.

At the end of the registration, you will receive an e-mail username and activation code with which to access the uniweb.unipd.it/password/index.php/it/utenti/identifica/azione/a page, where you will be asked to set three security questions and a password. With the username obtained and the password set, you can access your reserved area.

Registration on the www.uniweb.unipd.it portal can also be done using the SPID credentials, by clicking on the *Menu > Registration with SPID.*

For access problems, you can contact the University Call Centre (www.unipd.it/callcentre).

Please note: the personal e-mail address entered in your Uniweb profile is the communication channel through which any deadlines and useful instructions for accessing the course are provided. E-mails sent for this purpose have the value of official communication.

---

2. Pre-enrolment application

To pre-enrol you must:

1. log in with your credentials to www.uniweb.unipd.it and click on *Home > Evaluation Test > Course Type "Master's Degree"* and indicate the course of interest;
2. enter the degree to be used for access to the course, if not already present in the system.
   Students enrolled at the University of Padua who are about to graduate can complete pre-enrolment only after submitting the online application for the degree. In the event that this application has not yet been submitted, in order to proceed, it is necessary to write to immatricolazioni.studenti@unipd.it;
3. pay the pre-enrolment fee of € 30.00 through the PagoPA procedure (instructions on page www.unipd.it/pago-pa).

It is possible to apply for pre-enrolment for access to one or more of the courses indicated in this notice. For each pre-enrolment, it is necessary to submit the relevant application for assessment of the requirements (point 3).

4. ENROLMENT, CHANGE DEGREE PROGRAMME, TRANSFER FROM ANOTHER UNIVERSITY

4.1 Procedure and deadlines – Access to courses with an early deadline

For degree programmes in:

- **Food and Health**
- **Italian Food and Wine**

In order to enrol, change degree programme or transfer from another university, it is necessary to:

- have submitted the pre-enrolment application (point 2);
- have submitted the application for assessment of the requirements (point 3) and be in possession of the required requirements;
- have verified the registration of the data regarding your entry title in the Uniweb reserved area. Registration will take place automatically for graduates from the University of Padua; graduates from other universities must update their data in the Uniweb reserved area in *Home > Qualifications* section by 30 October 2026.

The application for **enrolment** must be submitted

- from 12:00 noon on 15 July and **by 30 October 2026** (full day).

The application for **incoming transfer** must be submitted:

- from 12:00 noon on 15 July and **by 30 October 2026** (full day).

The application for **change degree programme** must be submitted:

- from 12:00 noon on 1 September and **by 30 October 2026** (full day).

The enrolment procedures for enrolment, change degree programme and transfer from another university are shown on page www.unipd.it/istruzioniaccesso-triennali-magistrali-ciclounico.

> **Please note:** failure to comply with the deadlines and terms of the procedures indicated, and the simultaneous payment of the first instalment, is equivalent to renunciation of access to the chosen Master's degree programme.

Those who have missed a deadline but are interested in the course can submit an application for extraordinary enrolment which is evaluated at the end of the enrolment of the last scheduled selection. Instructions and conditions can be found on page www.unipd.it/istruzioniaccesso-triennali-magistrali-ciclounico

The enrolment procedures for the course are effective only after completion by the Student Careers Office - Enrolment and Admission Tests Sector; the operation is communicated by sending an email to the e-mail address registered on the Uniweb portal.

Contact & Support: www.unipd.it/immatricolazioni

4.2 Procedure and deadlines – Access to courses with full period

For degree programmes in:
- **Biotechnologies for Food Science**
- **Scienze e tecnologie agrarie**
- **Scienze e tecnologie alimentari**
- **Scienze e tecnologie animali**
- **Scienze forestali e ambientali**
- **Environmental Sciences for the Ecological Transition**
- **Forest Sciences**
- **Sustainable Agriculture**

In order to enrol, change courses or transfer from another university, it is necessary to:
- have submitted the pre-enrolment application (point 2);
- have submitted the application for assessment of the requirements (point 3) and be in possession of the required requirements;
- have verified the registration of the data for obtaining the admission ticket in the Uniweb reserved area. Registration takes place automatically for graduates from the University of Padua; graduates from other universities must update their graduation data in the Uniweb reserved area in the *Home > Qualifications* section by 29 January 2027.

The application for **enrolment** must be submitted

The enrolment procedures for enrolment, change degree programme and transfer from another university are shown on page www.unipd.it/istruzioniaccesso-triennali-magistrali-ciclounico.

---

[3] Enrolment is in any case valid for the entire academic year 2026/2027. There are no extensions in the normal duration of the course of study for enrolments that take place after the beginning of the academic year

In order to be able to request a change degree programme or an incoming transfer within the deadline indicated above, it is therefore necessary, again by 30 October 2026, to have submitted the pre-enrolment application (1), the application for assessment of the requirements obtaining eligibility (2) and to have obtained and updated the access qualification on the Uniweb portal (3). In order to access the courses after this date, if you are already enrolled in another course of study at this or another university, you must follow the withdrawal and re-enrolment procedures. For information on this:

https://www.unipd.it/trasferirsi-altro-ateneo

https://www.unipd.it/cambi-corso

Please note: failure to comply with the deadlines and terms of the procedures indicated, and the simultaneous payment of the first instalment, is equivalent to renunciation of access to the chosen Master's degree programme.

Those who have missed a deadline but are interested in the course can submit an application for extraordinary enrolment which is evaluated at the end of the enrolment of the last scheduled selection. Instructions and conditions are available on page www.unipd.it/istruzioniaccesso-triennali-magistrali-ciclounico.

The enrolment procedures for the course are effective only after completion by the Student Careers Office - Enrolment and Access Tests Sector; the operation is communicated by sending an email to the e-mail address registered on the Uniweb portal.

Contact & Support: www.unipd.it/immatricolazioni

4.3 Student Fees and Benefits

For new enrolments, the amount of the first instalment of the university fee includes 16.00 euros of stamp duty and the regional tax for the right to university education, of about 200 euros, updated annually by the Veneto Region.

The amount is published on page https://www.unipd.it/contribuzione-studentesca.

After submitting the enrolment application, you can view the amount to be paid to confirm enrolment by accessing your Uniweb profile in the *"Menu" section > "Right to education, disability/SLD, summer courses" > "Tuition fees".*

To obtain tuition fee reductions and any other benefit, such as scholarships, please remember to fill in the Application for Benefits and ISEE on Uniweb. For information: www.unipd.it/contribuzione-benefici

Contact & Support: benefici.studenti@unipd.it

5. RECOGNITION OF CREDITS FOR CAREER SHORTENING

It is possible to request the recognition of activities and exams taken (including abroad), such as single courses or in previous university careers, so that you do not have to take them again in the course of study. To apply for recognition, you must:

- submit the pre-enrolment application (point 2);
- submit the application for assessment of requirements (point 3). Within the portal there is a special section for submitting the application for recognition of credits for career shortening; Candidates with a qualification belonging to an old system can refer to the contacts referred to in point 4 for information on this matter. The application for credit recognition can only be submitted after obtaining eligibility for curricular requirements. The deadlines within which to proceed coincide with those indicated for the period of assessment of requirements.

The commission in charge evaluates the application submitted and issues a resolution indicating the year of admission proposed to the chosen degree programme, on the basis of the credits recognized:

Course of study	2nd year Recognition of exams required
Environmental Sciences for the Ecological Transition	2nd year is not active for the a.y. 2026/27
Biotechnologies for Food Science	greater than or equal to **30 CFU**
Scienze e tecnologie agrarie	greater than or equal to **30 CFU**
Scienze e tecnologie animali	greater than or equal to **30 CFU**
Scienze forestali e ambientali	greater than or equal to **30 CFU**
Forest Sciences	greater than or equal to **30 CFU**
Sustainable Agriculture	greater than or equal to **30 CFU**
Food and Health	greater than or equal to **40 CFU**
Italian Food and Wine	greater than or equal to **40 CFU**
Scienze e tecnologie alimentari	greater than or equal to **50 CFU**

For the purposes of counting the credits recognized for the year of admission, only exams already taken and registered by the end of the credit recognition application procedure are considered. More information is available in the teaching regulations of the course of interest (https://www.unipd.it/corsi?ss360Query=*), regarding:

- Evaluation criteria and methods for the recognition of exams (art. 10)
- criteria and procedures for access to years subsequent to the first (art. 9)
- requirements and any eligibility necessary to take the exams of the course year to which you were eligible, in addition to what is reported in this paragraph (art. 8)

After obtaining eligibility for curricular requirements and the resolution to recognize credits, it is possible to proceed with enrolment, change degreee programme, incoming transfer or simultaneous enrolment, as indicated on page www.unipd.it/istruzioniaccesso-triennali-magistrali-ciclounico.

The deadlines for proceeding are as follows:

- Application for matriculation: 1 September 2026 – 15 February 2027
- Incoming transfer application: 1 September 2026 – 30 October 2026
- Application for course change: 1 September 2026 – 30 October 2026

It is possible to apply for access to the first year, after obtaining eligibility for the requirements, even if you are still waiting for the resolution to recognize credits. Any validations will be entered later authomatically; The deadlines to refer to in this case are those indicated in point 4.

The validation/recognition of the online booklet is entered by the relevant Back Office by the first exam session scheduled for the academic year 2026/27, without the need for further procedures or requests.

Information on exams/activities that can be recognized: agraria.medicinaveterinaria@unipd.it

6. PERSON IN CHARGE OF THE PROCEDURE, PERSONAL DATA, NOTES AND WARNINGS

1. Pursuant to art. 4 of Law 241 of 7 August 1990 (New rules on administrative procedure and right of access to administrative documents) and subsequent amendments, the President of the Course of Study or the Commission in charge of evaluation is appointed as the person responsible for the administrative access procedure.

2. Responsible for the Access to Records Procedure: Director of the Student Careers Office, Dr. Maria Chiara Ferraresi.

3. Current legislation on declarations: in the event that the documentation submitted by the candidate shows false or misleading declarations, without prejudice to the sanctions provided for by the Criminal Code and the special laws on the subject (Articles 75 and 76 of Presidential Decree 445/2000), the candidate automatically loses his/her enrolment. The University will recover any benefits granted (e.g. scholarships) and will not proceed with any type of refund of the fees paid. Finally, the false declaration will result in the exposure to the action for damages by the counterparties.

4. Processing of personal data: the personal data provided by candidates, collected for the purposes identified in this Notice, are processed in compliance with the provisions of EU Regulation 27.04.2016, n. 679 (General Data Protection Regulation, GDPR) and the information available on page www.unipd.it/informativa-studenti.

5. Underage candidates must fill in and sign the appropriate form available on page https://www.unipd.it/avvisi-ammissione-corsi and send it to the address immatricolazioni.studenti@unipd.it .

Further general information on the current regulations for admission is available on page www.unipd.it/avvisi-ammissione-corsi.

Any changes or additions to the contents of this Admission Notice will be:
● published in the official University Bulletin Board;
● published on the University's web pages, at the address www.unipd.it/avvisi-ammissione-corsi

For anything not specified in this Admission Notice, reference is made to the regulations in force.

Padua, *20 February 2026*

ANNEX 2 – LANGUAGE REQUIREMENT

The attachment refers to the courses of study of this call for applications that require a level of knowledge of the English language as part of the personal preparation. To check which courses are involved, you can refer to the sheets in Annex 1.

The language requirement must be met at the same time as the application for evaluation of curricular requirements, by submitting any required documentation (point 3) at that time, through one of the following alternatives:

Alternative 1:	Possession of a **language certification of level B1 or B2 or higher** (compared to what is required by each course of study). The list of accepted certifications and score thresholds are indicated on page www.unipd.it/requisito-inglese-ammissione. Certificates obtained on or after January 1, 2021 are accepted.
	Required documentation It is necessary to attach the certification, front and back, within the procedure. Those who have not yet received the certificate can submit the provisional statement of results issued by the certifying body.

<div align="center">**Or**</div>

Alternative 2:	Be **a native English speaker**. A native speaker is considered to be a person who has an identity document indicating one of the following nationalities (dual citizenship is also considered valid in this sense): Antigua and Barbuda, Australia, Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana, Ireland, Jamaica, Malta, New Zealand, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines, Trinidad and Tobago, United Kingdom, USA.
	Required documentation To certify your status as a native speaker, it is necessary to attach an identity document in the appropriate section of the procedure that shows the possession of the citizenship in question.

<div align="center">**Or**</div>

Alternative 3:	Possession of a **qualification of a course entirely taught in English**. The accepted qualifications are bachelor's degree, single-cycle master's degree, master's degree, or equivalent (foreign qualifications or previous systems). It is not enough to have done part of the course abroad.
	Required documentation It is necessary to attach the self-certification with exams or the diploma supplement provided by the university where the degree was obtained. If the qualification in question (presented for the sole purpose of passing the language requirement) was obtained abroad, the Transcript of Records and the final diploma of achievement are required. In any case, the document must explicitly indicate the language of delivery of the course. Otherwise, it is necessary to attach an official document issued by the university certifying the language of delivery of the course.

Or

	Please note: This alternative **is** not **provided for the** Italian Food and Wine **Master's Degree Course**
Alternative 4:	Possession of an **open badge** issued by an **Italian university** or a certificate from a **Language Centre of an Italian university**.
	Required documentation The certificate or open badge must be attached in the appropriate section of the procedure. It is specified that: - the **language certificate** must be drawn up on the letterhead of the Language Centre of the Italian university that issued it, must contain the student's personal details and must clearly state that they have passed a **B1 or B2 level test or higher** (compared to what is required by each course of study). Alternatively, within the procedure, it is possible to self-declare that you have passed the test provided by the university language centre for the level of English required. It is necessary to upload a file containing your personal details, the date of passing the test, the name of the university language center where the test was taken and the contacts of the center in question or the office that manages the delivery of the test (email address and telephone number) for the necessary checks on what has been declared. - the **open badge** must contain the student's personal details and must show the level of the exam, **B1 or B2 or higher** (compared to what is required by each course of study); **You can attach the pdf of the Open Badge or a document that shows the link (URL) in which it can be consulted.**

Or

	Please note: This alternative **is** not **provided for the** Italian Food and Wine **Master's Degree Course**
Alternative 5:	Passing the **TAL B2 reading and listening** test provided by **the CLA** (University Language Centre) of the University of Padua reserved for **future students** of the master's degree course.
	The information you need to register for the test is available on page https://cla.unipd.it/test-linguistici/futuri-studenti/.
	Requirement Assessment Procedure Indicate in the requirements assessment procedure the date of registration for the chosen TAL test. It is possible to repeat the test a second time, without the need to declare the second date of the test. The verification of the passing of the test is carried out ex officio..

Or

	Please note: Alternative valid only for **courses** that require knowledge of the language at **level B1**
Alternative 6:	Passing an **English language university exam** or English language proficiency recorded in the student's career.
	Required documentation Passing the exam must be demonstrated by attaching the self-certification with exams issued by the university where the exam was taken.
