ANNEX 2 – LANGUAGE REQUIREMENT

The attachment refers to the degree programmes of study of this call for applications that require a level of knowledge of the English language as part of the personal preparation. To check which degree programmes are involved, you can refer to the sheets in Annex 1.

The language requirement must be met at the same time as the minimum curricular requirements application, by submitting any required documentation (point 3) at that time, through one of the following alternatives:

Alternative 1:	Possession of a **language certification of level B1 or B2 or higher** (compared to what is required by each degree programme). The list of accepted certifications and score thresholds are indicated on page www.unipd.it/requisito-inglese-ammissione. Certificates obtained on or after January 1, 2021 are accepted.
	Required documentation It is necessary to attach the certification, front and back, within the procedure. Those who have not yet received the certificate can submit the provisional statement of results issued by the certifying body.

Or

Alternative 2:	Be **a native English speaker**. A native speaker is considered to be a person who has an identity document indicating one of the following nationalities (dual citizenship is also considered valid in this sense): Antigua and Barbuda, Australia, Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana, Ireland, Jamaica, Malta, New Zealand, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines, Trinidad and Tobago, United Kingdom, USA.
	Required documentation To certify your status as a native speaker, it is necessary to attach an identity document in the appropriate section of the procedure that shows the possession of the citizenship in question.

Or

Alternative 3:	Possession of a **qualification of a degree programme entirely taught in English**. The accepted qualifications are bachelor's degree, single-cycle master's degree, master's degree, or equivalent (foreign qualifications or previous systems). It is not enough to have done part of the degree programme abroad.
	Required documentation It is necessary to attach the self-certification with exams or the diploma supplement provided by the university where the degree was obtained. If the qualification in question (presented for the sole purpose of passing the language requirement) was obtained abroad, the Transcript of Records and the final diploma of achievement are required. In any case, the document must explicitly indicate the language of delivery of the degree programme. Otherwise, it is necessary to attach an official document issued by the university certifying the language of delivery of the degree programme.

	Required documentation Passing the exams must be demonstrated by attaching the self-certification with exams issued by the Italian university where the exams were taken or recognized.

Alternatively, within the procedure, it is possible to self-declare that you have passed the test provided by the university language centre for the level of English required. It is necessary to upload a file containing your personal details, the date of passing the test, the name of the university language center where the test was taken and the contacts of the center in question or the office that manages the delivery of the test (email address and telephone number) for the necessary checks on what has been declared. - the **open badge** must contain the student's personal details and must show the level of the exam, **B1 or B2 or higher** (compared to what is required by each degree programme); **You can attach the pdf of the Open Badge or a document that shows the link (URL) in which it can be consulted.**
